ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I/We, the undersigned, Eric James Ford, having a mailing address of 268 W 19th Street Syracuse, NE 68446; Ryan Edward Frazier, having a mailing address of 3961 S 194 Street Omaha, NE 68130; and Scott Clarence Stelpflug, having a mailing address of 2369 330th St. Slater, IA 50244, all hereinafter referred to jointly and severally as said Assignor(s), hereby:

Sell, assign, and transfer to **Inari Agriculture, Inc.**, a Delaware corporation having the registered address of One Kendall Square, Building 600/700, Suite 7-501, Cambridge, MA 02139, its successors and assigns, all hereinafter referred to as said Assignee, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in an application for Letters Patent filed in the United States Patent and Trademark Office on:

January 7, 2021

under Application Serial No. 17/143,662 and

Entitled

MAIZE HYBRID VARIETY ICH19849

and in and to said application and all provisional, non-provisional, continuations, divisional applications, continuations-in-part, substitutes, renewals, refilings, reissues, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on said any and all inventions (including under the Patent Cooperation Treaty and any national or regional phase entry resulting from such applications), including any and all inventions claiming priority from said application; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said any and all inventions including the right to apply for patent rights, including but not limited to patents, utility models and designs, in each foreign country and all rights to priority, including rights of priority under the International Convention of Paris (1883) as amended; and all abilities to handle post-grant proceedings and further including any right to sue for past infringement;

Agree that said Assignee may apply for and receive Letters Patent for said any and all inventions in its own name; and when requested, without charge to but at the expense of said Assignee, I/We agree for ourselves and our respective heirs, legal representatives and assigns to carry out in good faith the intent and purpose of this assignment, by executing all provisional, non-provisional, continuations, divisional applications, continuations-in-part, substitutes, renewals, refilings, reissues, and all other patent applications on said any and all inventions, by executing all rightful oaths, assignments, powers of attorney, and other papers, by communicating to said Assignee all facts known to relate to said any and all inventions and the history thereof, to

cooperate to the best of the ability of Assignor(s) in the matters of preparing and executing any petition, affidavit, or other document relating thereto and giving and producing evidence in support thereof in the event of any application or Letters Patent assigned herein becoming involved in any derivation, interference, opposition, dispute and other proceeding before a relevant registration authority or third party challenge, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said any and all inventions and for vesting title to said any and all inventions and all applications for patents, utility models and designs, and all patents, utility model and designs granted on said inventions, in said Assignee;

Request the Honorable Commissioner of Patents and Trademarks or other relevant registration authority, as the case may be, to issue said Letters Patent to said Assignee; and

Covenant with said Assignee that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

Said Assignee does hereby acknowledge and accept the above sale, assignment, and transfer of all the rights, title, and interest enumerated above, including but not limited to the right to priority and the right to sue for past infringement.
