A S S I G N M E N T

WHEREAS, we, Manoranjan Misra, of city of Reno, State of Nevada, and Joseph Nanor, of city of Stockton, State of California, have invented a certain invention, entitled ARSENIC ABSORBING COMPOSITION AND METHODS OF USE, for which the following patent applications have been filed: Serial No. 60/792,233 filed on April 14, 2006;

Serial No. 11/735,969 filed on April 16, 2007; and

Serial No. PCT/US2007/009390 filed on April 16, 2007.

WHEREAS, The Board of Regents of the Nevada System of Higher Education, on Behalf of the University of Nevada, Reno (the Board), a corporation organized under the laws of the State of Nevada, having a place of business at Technology Transfer Office/321, Reno, Nevada, 89557, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Manoranjan Misra and Joseph Nanor, hereby sell, assign and transfer to the Board, the full and exclusive right, title and interest in and to said invention, patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, applications and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by the Board, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to the Board, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid the Board, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this

Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
