ASSIGNMENT

WHEREAS, the undersigned has developed certain inventions described in a U.S. patent application entitled:
FRUIT PRESS

which was filed on March 31, 2020 as PCT Patent Application Serial No. PCT/AT2020/060134, and the undersigned have full right to convey the entire right, title and interest, both legal and equitable, in and to said inventions, free from all prior assignments, agreements, licenses, mortgages, security interests, or other encumbrances whatsoever; and

WHEREAS, Citrocasa GmbH ("ASSIGNEE"), a company having executive offices at Industriezeile 47, 4020 Linz, AUSTRIA, is desirous of acquiring the entire right, title and interest in and to said inventions and any and all patents to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the undersigned, the undersigned hereby sell, assign, transfer and set over unto said ASSIGNEE, their successors and assigns, the entire right, title and interest throughout the world in and to said inventions, as described in the above-identified application, in any form or embodiment thereof, and in and to the above-identified application; and in and to any application filed in the U.S. or any foreign country based thereon, including the right to file said applications and claim priority under the provisions of any U.S. or international convention or treaty, also the entire right, title and interest throughout the world in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country; and the undersigned hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said ASSIGNEE or their successors and assigns.

The undersigned further agrees, without any further payment or compensation by said ASSIGNEE or their successors and assigns, to communicate to said ASSIGNEE, their representatives or agents or their successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said ASSIGNEE, their successors or assigns and nominees to secure, obtain and enforce proper patent protection for said inventions in this or any foreign country.

- The undersigned hereby declares that:
- a. The above-identified application was made or authorized to be made by me.
 - b. I believe that I am the original inventor or an original joint inventor of a claimed invention in the above-identified application.
 - c. I have reviewed and understand the contents of the above-identified application, including the claims.
 - d. I acknowledge the duty to disclose information which is material to patentability as defined in Title 37 C.F.R. § 1.56.
 - e. I hereby acknowledge that any willful false statement made in the above declarations is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

IN TESTIMONY WHEREOF, the undersigned has hereunto set their hands and seals on the date next to their signature.
