## Patent Assignment Agreement

Whereas Erik Alexander Nochez (the "Assignor") is owner of U.S. Patent Application No.: 29/725,320, filed 02/24/20, titled Clutch Retainer Plate (the "Patent Application"), and whereas Action Clutch, Inc. (the "Assignee") desires to acquire rights in and to the to the Patent Application and the patent (and any continuations, reissues or extensions) that may be granted.

Therefore, for valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby assigns to Assignee 100% of his or her right, title and interest in the invention and Patent Application to Assignee for the entire term of the Patent Application and any patent that issues therefrom, and any reissues or extensions and for the entire terms of any patents, reissues, or extensions that may issue from foreign applications, divisions, continuations in whole or part, or substitute applications filed claiming the benefit of the Patent Application. The right, title, and interest conveyed in this Assignment is to be held and enjoyed by Assignee and Assignee's successors as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor further agrees to: (a) cooperate with Assignee in the protection of the patent rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent Application and any and all applications, patents, and registrations for the invention in any and all countries

Date: 9/21/2021
