## ASSIGNMENT AGREEMENT

This ASSIGNMENT AGREEMENT ("**Assignment**") is made by and between Mathias Trojosky and Thomas Oberer and Manuel Sebastian de la Sierra (the "**Inventors**") and Allgaier Werke GmbH, with offices located at Ulmer Strasse 75, 73066 Uhingen, Germany (the "**Assignee**") regarding a patent application titled System and Method for the Gravimetric Sorting of a Mixture of Substances;

WHEREAS, the Inventors have invented one or more inventions disclosed and/or claimed in the application (the "**Inventions**") filed in the United States Patent and Trademark Office ("**USPTO**") on August 10, 2021 and given application number 17/398,519;

WHEREAS, the Assignee, together with its successors and assigns, and in accordance with agreement(s) duly entered into with the Inventors, desires to acquire the entire right, title, and interest in and to the Inventions and to the Applications (as defined herein);

NOW, THEREFORE, the parties agree as follows:

1. For valuable consideration from the Assignee to the Inventors, the receipt and adequacy of which are hereby acknowledged, and in accordance with existing agreement[s] duly entered into with the Assignee, the Inventors, individually and together, hereby convey, transfer, and assign to the Assignee, its lawful successors and assigns, and the Assignee accepts, the entire and exclusive right, title, and interest in and to the Inventions and all patents that may be granted therefor in the United States and all other countries, territories, and jurisdictions in the world (collectively, the "**Countries**"), and to all existing or future related applications, divisions, substitutes, renewals, reissues, continuing applications (including continuation, divisional and continuation-in-part applications), conversions, re-examinations, extensions, and any resulting patents thereof in all Countries (collectively, the "**Applications**") for the full terms for which the same may be granted and any rights associated therewith, including, but not limited to, any and all royalties, profits, damages, fees, income, payments, and other proceeds now or hereafter due or payable, and to the right to claim benefit and priority from the Applications in all of the Countries.

2. The Inventors represent and warrant that we have the ability to convey all rights and interests herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that we will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

3. The Inventors authorize the Assignee to file for and request that the USPTO and corresponding bodies in each of the other Countries issue any and all patents resulting from any of the Applications to the Assignee.

4. This Assignment inures to the benefit of the Assignee and its successors, assigns, and other legal representatives, and is binding on the Inventors and their respective heirs, legal representatives, and assigns.

5. The Inventors shall take such steps and actions, and provide such cooperation and assistance, at the Assignee's expense, to the Assignee and its successors, assigns, and legal representatives, in connection with the Inventions and the Applications, or for any inventions and discoveries derived therefrom, as may be necessary to effect, evidence, or perfect the Assignment to the Assignee or any assignee or successor thereto, including, but not limited to: the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, documents in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar treaties and agreements, or other lawful papers; the execution and delivery of all papers necessary in connection with any administrative or judicial proceedings; and the provision of information and testimony and cooperation in every way in obtaining and producing evidence and prosecuting such proceedings.

6. The Inventors hereby grant Sheehan Phinney Bass & Green PA the power to insert on this Assignment any further identification information, including an application number and filing date, which may be necessary or desirable.
