DOCKER WITH THE ROVER
Attorney Docket No. INST0553DIV1/060210.00451

SUBMISSION PURSUANT TO MPEP § 323.01(C)

Commissioner for Patents
Assignment Services Division
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Commissioner:

The above-captioned application was duly assigned from the inventors to Stryker Corporation, which was recorded on November 4, 2009, on Reel 023469 and Frame 0756.

On September 25, 2019, a conveyance from Bradford Macy to Shao Pacific Management, LLC, was recorded on Reel 050488 and Frame 0097. The conveyance was recorded in error for the above-captioned application. More particularly, neither Bradford Macy nor Shao Pacific Management, LLC had any ownership interest in the underlying application, nor have any ownership interest in its resulting United States Patent No. 8,740,866.

As such, the patent owner – Stryker Corporation – files the present submission in accordance with MPEP § 323.01(c) to correct the assignment data. Submitted herewith is an assignment cover sheet identifying the '866 patent against which the later assignment was

improperly recorded. The patent owner has been, and continues to be, the true and correct owner of the patent at issue, and the previously recorded assignment from Bradford Macy to Shao Pacific Management, LLC was submitted with erroneous information.

It is hereby acknowledged that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

Pursuant to 37 C.F.R. § 1.21(h), no fees are believed to be due. However, the Commissioner is hereby authorized to charge any fees or credit any overpayments to Deposit Account 08-2789 in the name of Howard & Howard Attorneys PLLC.

Respectfully submitted,

HOWARD & HOWARD ATTORNEYS PLLC

Dated: September 28, 2021
