## ASSIGNMENT & DECLARATION

---

WHEREAS, WE, (1) Kristjan KORJUS; (2) Joonatan SAMUEL; (3) Andre VESKI, all of Tallinn, Estonia (hereinafter individually and collectively the "Assignor"), have invented certain new and useful inventions for which a patent applications entitled "Method and system for operating a robot," have been prepared and filed (i) as PCT/EP2019/077775, and (ii) in the United States Patent and Trademark Office on April 7, 2021, receiving Application No. 17/283,494.

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which are acknowledged, Assignor has agreed to assign and transfer and does hereby assign and transfer unto STARSHIP TECHNOLOGIES OÜ ("Assignee"), a corporation, having an address at Teaduspargi 8, Tallinn 12618, Estonia, its successors and assigns, the entire right, title, and interest in and to said invention and applications, and in and to any application from which said application claims priority, any divisional or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention made by Assignor, and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries, foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

Assignor further agrees for Assignor and for Assignor's heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as Assignor lawfully may, that may be deemed necessary by said Assignee, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid to obtain to maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

Assignor hereby acknowledges an obligation of assignment and transfer of this invention to Assignee at the time the invention was made;

Assignor hereby acknowledges that Assignee's internal and external counsel have represented only Assignee and will continue to represent only Assignee with respect to this invention;

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to said Assignee, as the assignee of the entire right, title, and interest therein.

**DECLARATION:** Assignor further declares that:

(A) The above-identified application was made or authorized to be made by me.

(B) I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

(C) I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

IN WITNESS WHEREOF, the Assignor hereunto has executed this Assignment upon the date indicated below.
