AND WHEREAS, Baylis Medical Company Inc., whose full post office address is 5959 Trans-Canada Highway, Montreal, Quebec, H4T 1A1, Canada (hereinafter referred to as the "Assignee"), is desirous of confirming acquisition of the entire right, title, and interest in and to the inventions, and in and to the Patent Properties inclusive of any continuations, divisions, and validations thereof and all priority rights derived therefrom, for any and all countries in the world, and in and to any and all patent applications included in Patent Properties and patent applications sharing common priority with any of the Patent Properties ("Priority Applications"), and any continuations, divisions or validations of any of the preceding filed in any and all countries in the world, and in and

to any and all patents issuing in any and all countries of the world to be granted for the inventions disclosed in the Patent Properties or in Priority Applications ("Inventions");

NOW, THEREFORE, in consideration of the sum of ten United States dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby confirms having sold, assigned and transferred to the Assignee, its successors and assigns by virtue of an Intellectual Property Acquisition Agreement effective July 13, 2021, its entire right, title, and interest in and to the Inventions, and in and to the Patent Properties inclusive of any continuations, divisions or validations thereof and all priority rights derived therefrom, and in and to any and all patent applications included in Patent Properties and Priority Applications and any continuations, divisions and validations thereof filed in any and all countries in the world, and in and to any and all patents which may be granted for the Inventions in any and all countries in the world, and in and to any and all reissues, substitutions, or prolongations thereof; the same to be held and enjoyed by the Assignee for its own use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term or terms for which the patents, or reissues, substitutions or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had no sale, assignment or transfer been made;

AND the Assignor hereby agrees, upon request, and without further consideration, but at the expense of the Assignee, to communicate to the Assignee or its representatives or nominees any facts known to them respecting the Inventions and the Patent Properties and sign all lawful papers, execute all divisional, continuing, validation and reissue applications, make all rightful oaths and generally aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the Inventions and the Patent Properties in all countries, and the Assignor further agrees to execute any and all further papers which may be necessary or desirable to vest or perfect the title of the Assignee, its successors and assigns, in and to the Inventions and the Patent Properties, and in and to any and all patents, or reissues, substitutions or prolongations thereof, which may be granted for the Inventions in any and all countries in the world;

AND the Assignor hereby authorizes and requests any official whose duty it is to issue patents to issue each and every patent to be granted for the Inventions in any and all countries, and each and every reissue, substitution or prolongation of such patent, to the Assignee, its successors and assigns as the same would have been issued to the Assignor had no sale, assignment or transfer been made;

AND the Assignor hereby authorizes the Assignee to correct clerical errors in the Assignment or to insert any further identification or other information necessary or desirable to make the Assignment suitable for recordal at any Patent Office such as and including the Canadian Intellectual Property Office, the European Patent Office, the Chinese Patent Office and the United States Patent and Trademark Office.
