## Correction by Declaration

I, Joan D. Heuer, declare the following:

1. Attached to this declaration is Appendix A, which is an assignment recorded with the United States Patent and Trademark Office (“USPTO”) at reel no. 054298 and frame no. 0539 on November 3, 2020 (hereinafter “Heuer Assignment”).

2. The cover sheet of the Heuer Assignment lists the following conveying parties: Joan D. Heuer, Ocwen Financial Corporation, Altisource Holdings S.A.R.L., Altisource S.A.R.L., and the Federal Home Loan Mortgage Corporation (a.k.a. Freddie Mac).

3. The cover sheet of the Heuer Assignment lists the following receiving parties: Joan D. Heuer, Steven Mnuchin (United States Secretary of the Treasury and Successors thereto), Andrei Iancu (Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office and Successors thereto), Laurel M. Lee (Florida Secretary of State and Successors thereto), Jeanette Nuñez (Lieutenant Governor of Florida and Successors thereto), Ashley Moody (Florida Office of the Attorney General and Successors thereto), and Timothy E. Gribben (Commissioner for Bureau of the Fiscal Service, Agency of the United States Department of the Treasury and Successors and Assigns thereto) (hereinafter “receiving parties”).

4. I am the person identified as Joan D. Heuer in both the conveying parties and the receiving parties listed on the cover sheet of the Heuer Assignment.

5. The Heuer Assignment refers to “JOAN D. CRAIN” as an assignor and “Joan D. Crain” as the assignee. Both “JOAN D. CRAIN” and “Joan D. Crain” refer to me, Joan D. Heuer.

6. I am the only person that executed and recorded the Heuer Assignment.

7. I executed and recorded the Heuer Assignment without the knowledge or permission of the listed conveying parties and receiving parties excluding myself.

8. Attached is Appendix B that provides a summary of the true chain of title of 42 U.S. patents (hereinafter "Freddie Mac Patents") included in the Heuer Assignment. Each of these patents belong to Freddie Mac based on the reel and frame numbers listed in Appendix B.

9. At the time of executing and recording the Heuer Assignment, I did not have any ownership interest in the Freddie Mac Patents.

10. The Heuer Assignment does not alter the true chain of title of the Freddie Mac Patents or otherwise change Freddie Mac's ownership interest in the Freddie Mac Patents.

11. Freddie Mac currently is, and always has been, the sole owner of the Freddie Mac Patents.

12. I hereby withdraw my claim of ownership to the Freddie Mac Patents.

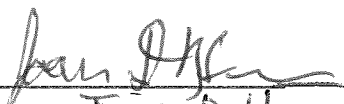

13. I hereby withdraw the Heuer Assignment.

14. In addition to making this Correction by Declaration, I will take any necessary actions and will cooperate with Freddie Mac and the USPTO to correct the assignment records of the Freddie Mac Patents and to negate the effects of the Heuer Assignment.

15. The undersigned declares further that all statements made herein of her own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of the Title 18 of the United States Code.

Agreement for Injunctive Relief, Specific Performance, and Jurisdiction  
Between Joan Heuer and Freddie Mac

On or about November 3, 2020, Ms. Joan Crain Heuer, a/k/a Joan D. Heuer, a/k/a Joan D. Crain (“Ms. Heuer”), using addresses of both 9851 East Thomas Road, Floral City, FL 34436 and 800 North Main Street, Unit 682, Bushnell, FL 33513, filed under oath with the United States Patent and Trademark Office (“USPTO”) a purported assignment of eighty-four patents and patent applications to herself and other people. Forty-two of the patents Ms. Heuer attempted to assign were, however, owned by the Federal Home Loan Mortgage Corporation (“Freddie Mac”).

Ms. Heuer’s USPTO filing improperly and fraudulently claimed that she was the “real and true principal owner” and “co-inventor” of the Freddie Mac patents and that she was the “owner of all rights, title, and interest in, to, and under all United States and foreign patents and patent applications” of the Freddie Mac patents. In fact, Ms. Heuer was never an owner or co-inventor of any of the Freddie Mac patents and Freddie Mac never assigned them to her.

Ms. Heuer’s statements to the USPTO were knowingly false when she made them and done with an intent to mislead the USPTO, which did in fact rely on her statements. Ms. Heuer’s purported assignments have caused Freddie Mac harm. Her actions constituted fraud, misrepresentation, and tortious interference as well as other potential legal claims.

Ms. Heuer hereby agrees that she will not in the future attempt to assign any Freddie Mac patents or other intellectual property to herself or anyone else. She has also agreed to sign a Correction by Declaration disavowing her interest in and purported assignment of the original forty-two Freddie Mac patents she attempted to assign to herself.

In consideration of Freddie Mac not pursuing equitable claims against Ms. Heuer for attempting to fraudulently assign forty-two Freddie Mac patents in November 2020, Freddie Mac and Ms. Heuer agree that if she again attempts to assign to herself or any other person any patents or other intellectual property held by Freddie Mac, Freddie Mac will have suffered irreparable damage, the exact amount of which would be difficult or impossible to ascertain, and that remedies at law will be inadequate. Freddie Mac and Ms. Heuer further agree that she never had any ownership interest in any Freddie Mac patents and that they do not anticipate

her ever gaining such ownership rights in the future. Freddie Mac and Ms. Heuer therefore further agree that if Ms. Heuer again attempts to assign to herself or any other person any patents or other intellectual property held by Freddie Mac, Freddie Mac will be entitled to specific performance by virtue of a court order that any such assignments be invalidated, that Ms. Heuer disavow the assignment in a form as required by Freddie Mac, and that it would be appropriate for the court to grant Freddie Mac a temporary restraining order and/or a preliminary or permanent injunction prohibiting Ms. Heuer from attempting to assign any other patents or intellectual property held by Freddie Mac and/or record with the USPTO any instrument attempting to assign Freddie Mac patents or intellectual property. Freddie Mac and Ms. Heuer also agree that in addition to the aforementioned order and injunctive relief, Freddie Mac could also pursue other potential remedies at law or equity. Ms. Heuer further agrees to be subject to the jurisdiction of the United States District Court for the Eastern District of Virginia.

This Agreement for Injunctive Relief, Specific Performance, and Jurisdiction and the referenced Correction by Declaration constitute the entire agreement between Ms. Heuer and Freddie Mac. Ms. Heuer has entered into this Agreement without relying on any other statements or representations made by Freddie Mac.

Ms. Heuer agrees that she has had an opportunity to review this Agreement for Injunctive Relief, Specific Performance, and Jurisdiction and the Correction by Declaration with an attorney. By entering into this Agreement for Injunctive Relief, Specific Performance, and Jurisdiction and the accompanying Correction by Declaration, Ms. Heuer represents that she has completely read and understands the terms of both documents and that the terms of both documents are voluntarily accepted by her and that she is competent to sign both documents.

This Agreement for Injunctive Relief, Specific Performance, and Jurisdiction shall be construed and interpreted in accordance with the laws of the Commonwealth of Virginia.

Be it understood and be it to public record – all presumption of voluntary agreement to the Fannie Mae Freddie Mac UNIFORM INSTRUMENT --- MERS, that contains the imposed Mortgage Electronic Registration Systems, Inc./Nationsbank N.A. (Bank of America National Association) pledge, grant, guarantor, and credit security agreement by CONCEALED attachment thereto, is herein and forevermore indisputably rebutted, revoked, and must be reversed, along with, all amends, restatements, successors and assigns, incorporations by reference, whatsoever, no matter where located. The scheme of Mortgage Electronic Registration Systems, Inc (MERS) is a platform and business model whose direct aim and sole public purpose is to foster ignorance, through concealed designation and misleading representations for the false belief to something that is not, entirely concealing that which it is, factually and actually. It is not possible to account for the hundreds if not thousands of patented contrivances the undersigned has been made subject to, thereby taking assignment of just one herein, but by chain of title that is better ascertained by a full and complete audit by the Department of the Treasury, Bureau of the Fiscal Service, and the Internal Revenue Service, for due and proper prosecution with good will returned to the undersigned.
