ASSIGNMENT

WHEREAS, we, Richard Guzik, residing at 145-C Love Lane, Manchester, CT 06040; Diane Sinosky, residing at 1236 Enfield Street, Enfield, CT 06082; and James Bevins, residing at 43 Dogwood Lane, South Windsor, CT 06074, are the inventors of one or more inventions (hereinafter referred to as "said invention(s)") disclosed in a U.S. utility patent application entitled "**FUEL STORAGE AND SUPPLY ARRANGEMENT HAVING FUEL CONDITIONING ASSEMBLY**" being executed herewith (hereinafter referred to as "said application").

WHEREAS, Veeder-Root Company (hereinafter together with its successors and assigns referred to as "the Assignee"), a corporation of the State of Delaware, having a place of business at 125 Powder Forest Drive, Simsbury, CT 06089, is desirous of confirming and further perfecting intellectual property rights relating to said invention(s) and said application; and

NOW, THEREFORE, we acknowledge that we have assigned, transferred and set over, and by these presents hereby assign, transfer and set over to the Assignee all of our right, title and interest in, to and under said invention(s) and said application, including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on said invention(s), and any and all other application for Letters Patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part and convention applications based in whole or in part upon said invention(s) or upon said application, and any and all Letters Patent which may issue thereon in the United States and foreign countries and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of Letters Patent granted for said invention(s) or upon said application, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s), said application and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by us had this Assignment not been made. We hereby authorize the Assignee to file patent applications in any and all countries on any or all of said invention(s) in our name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or the applicable laws of a particular jurisdiction.

We hereby authorize the responsible official of the United States Patent and Trademark Office, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer all said Letters Patent on said invention(s) to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

We hereby represent and warrant that we have the full right to convey the entire right and interest herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that we will not execute
