***NUNC PRO TUNC* ASSIGNMENT BY INVENTORS**

**THIS ASSIGNMENT**, made by Jeremy Sanger of Milford 48640 and Franco Garavoglia of Walled Lake Michigan; ("Assignors");

**WHEREAS**, Assignors have invented certain new and useful improvements described in non-provisional U.S. patent application titled "HYDRODYAMIC HEATER," filed on Aug. 24, 2015 with serial number 14/834,138 now U.S. Patent No. 9,841,211 ("Patent Application"); and

**WHEREAS**, Ventech, LLC., a Michigan limited liability company ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions in the Patent Application and any related Applications for Letters Patent of the United States, and in and to any Letters Patent of the United States or foreign country to be obtained therefore and thereon.

**NOW, THEREFORE**, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, and to the extent Assignors have not already done so, Assignors agree to assign, and hereby do, sell, assign and transfer unto Assignee (*nunc pro tunc* as of Aug. 24, 2015) and its successors in interest, their full right, title and interest in the United States of America and throughout the world, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the inventions as described in the above-identified Patent Application, to the above-identified Patent Application itself, and all divisions, continuations, continuations-in-part, or other applications claiming priority directly or indirectly from the above-identified application, and any United States or foreign Letters Patent, utility model, or other similar rights which may be granted thereon, including reissues, reexaminations and extensions thereof, and all copyright rights throughout the world in the aforesaid application and the subject matter disclosed therein, these rights, title and interest to be held and enjoyed by Assignee to the full end of the term for which the Letters Patent, utility model, or other similar rights, are granted and any extensions thereof as fully and entirely as the

same would have been held by me had this assignment and sale not been made, and the right to sue for, and recover for past infringements of, or liabilities for, any of the rights relating to any of the applications, patents, utility models, or other similar rights, resulting therefrom, and the copyright rights.

**AND** for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

**AND** for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do the acts necessary to be done, at no cost to Assignors, for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns for Assignors' time or services, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to derivation proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination, post grant review, *inter partes* review or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

**AND** Assignors hereby request the Commissioner for Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

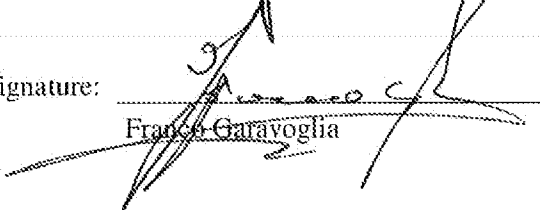

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

Panagos Kennedy PLLC

All practitioners at Customer Number 150661.

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.
