## ASSIGNMENT

WHEREAS as an inventor (hereinafter "ASSIGNOR") of one or more inventions in the following United States patent application whether or not the inventions are currently claimed in the following United States patent application:

- United States Non-Provisional Application Number 16/814,767 filed on March 10, 2020 and titled HEARING ACCOMODATION.

WHEREAS, CaptionCall, LLC, (hereinafter referred to as "ASSIGNEE") having a principal place of business at 4215 South Riverboat Road, Salt Lake City, UT 84123, desires to secure an equal, undivided right, title and interest in said inventions and the United States patent applications filed thereon.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I hereby assign to the ASSIGNEE, the entire right, title and interest in said inventions and in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, and reissues, extensions and renewals of Letters Patent granted thereon, and in all corresponding patent applications filed in countries foreign to the United States ("foreign countries") and corresponding international patent applications, and in all Letters Patents issuing on any such patent application in the United States and foreign countries:

I hereby assign to the ASSIGNEE the right to file patent application in foreign countries on said invention in its own name and the right to claim priority to the above-identified United States patent application under the terms of the International Convention and any other relevant treaties;

I hereby authorize and request the United States Patent & Trademark Office and officials in patent offices in foreign countries to issue any and all of said Letters Patent to the ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of the ASSIGNEE, its successors, assigns, and legal representatives, to the full end of the term for which said Letters Patent may be granted; and

Further, I agree that, without further consideration, I will communicate to the ASSIGNEE any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitute, renewal and reissue applications, execute all necessary assignment papers to cause said Letters Patent to be issued to the ASSIGNEE, make all rightful oaths, and, perform all lawful acts to aid the ASSIGNEE, its successors and assigns, to obtain and enforce Letters Patent for said inventions in the United States and foreign countries.
