ASSIGNMENT

WHEREAS we, **Mark A. Schwandt, Martin A. Stebenne, Fred Bould and Kwan Hon Anson Cheung** (the "Inventors"), residing respectively **13102 Clayton Way, Thornton, CO 80241, 10305 W. 107th Ct, Westminster, CO 80021, 101 Blackburn Ave, Menlo Park, CA 94025 and 1601 Lincoln Way, Apt 201, San Francisco, CA, 94122** are the joint inventors of an invention in **Head Rail for a Covering for an Architectural Opening** for which invention we have executed a design patent application filed in the United States Patent and Trademark Office filed on **February 17, 2016** bearing serial number **29/554,915**, and we are entitled to assign our entire right, title and interest world-wide in and to the invention and any intellectual property protection for the invention, including the United States application therefor; and

WHEREAS Hunter Douglas Inc. (the "Company"), having a place of business at 1 Blue Hill Plaza, Pearl River, NY 10965, is desirous of obtaining our entire right, title and interest world-wide in and to the invention and any intellectual property protection for the invention, including the US patent application and any Canadian patent application therefor;

NOW THEREFORE, in good and valuable consideration, we hereby assign and transfer to the Company, its successors, legal representatives and assigns, our entire right, title and interest world-wide in and to the invention and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs, whether original, divisional, continuation, renewal, reissue, or the like, now on file or subsequently filed, for the invention world-wide, together with the right to file such applications and the right to claim for such applications the priority rights derived from the European patent application under any national or international intellectual property laws or agreements and any industrial property protection including, without limitation, patents, utility models and designs, now or hereafter granted, for the invention world-wide, and any extensions, renewals, reissues or the like thereof.

FURTHER we hereby authorize and request any official of any state, responsible for issuing patents or other evidence or forms of any industrial property protection, to issue the same for the invention to the Company, its successors, legal representatives and assigns, in accordance with this assignment.

ALSO we hereby agree that we have the full right to convey our entire, right, title and interest in and to the invention world-wide and all applications for industrial property protection for the invention world-wide and that we have not executed, and will not execute, any agreement in conflict with this assignment.

All Countries

PATENT**REEL: 057730 FRAME: 0626**

MOREOVER we hereby agree that we will communicate to the Company, its successors, legal representatives and assigns any facts known to us respecting the invention and testify in any legal proceeding, sign any lawful papers, execute any original, divisional, continuation and reissue applications, make any rightful oaths, and generally do everything possible to aid the Company, its successors, legal representatives and assigns to obtain and enforce proper protection for the invention world-wide.

FURTHER we hereby agree that this assignment is to be considered effective as of the earlier of (1) the date of execution herein below or (2) the filing date of the first-filed patent application, and we hereby authorize the Company, its successors and assigns, or anyone it may properly designate, to insert in this instrument the number of the first-filed patent application.

IN TESTIMONY WHEREOF, we have hereunto set our hands the day, month and year opposite our signatures below.
