### ASSIGNMENT

WHEREAS, I, John Doyle Rogers, having a mailing address of 235 Hogans Mill Road, Jefferson, GA 30549, USA am listed as an inventor on a provisional patent application entitled "**Less-Lethal Ammunition and Methods for Making Less-Lethal Ammunition**," which was filed with the United States Patent & Trademark Office on January 21, 2019 and assigned U.S. Provisional Patent Application Number 62/794,735; and wherein as I am also listed as an inventor on a non-provisional patent application entitled "**Less-Lethal Ammunition and Methods for Making Less-Lethal Ammunition**," which was filed with the United States Patent & Trademark Office on January 17, 2020 and assigned U.S. Patent Application Number 16/745,494; and

AND WHEREAS, Avert Industries, LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Georgia, and having an office and place of business at 235 Hogans Mill Road, Jefferson, GA 30549, USA (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in the patent applications identified above, including any and all non-provisional applications claiming priority thereto, all divisions and continuations thereof, and any and all Letters Patents that may be granted thereon, including any and all renewals and reissues related thereto.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid patent applications, and in and to the applications, non-provisional applications, divisions, continuations, and/or renewals thereof, all Letters Patents that may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications that have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries that may be granted therefrom; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, I do hereby agree that I am my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and

generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

IN TESTIMONY WHEREOF, I have hereunto set my hands this 12TH day of MAY, 2021.

John Doyle Rogers
