**Title of Invention**      **Virtual Reality Remote Valet Parking**

This declaration is directed to:

The attached application, or  
United States application or PCT international application number  
filed on \_\_\_\_\_ (I hereby authorize the insertion of the application filing date and  
number into this form when they become known.)

The above-identified application was made or authorized to be made by me.

I hereby state that I have reviewed and understand the contents of the specification in the above-identified application, including the claims.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I am aware of the duty to disclose information which is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

Pursuant to my employment agreement heretofore made or by contractual obligation, I do sell, assign and set over unto FORD GLOBAL TECHNOLOGIES, LLC, a Ford Motor Company subsidiary, organized and existing by virtue of the laws of the State of Delaware, having its principal place of business at Dearborn, County of Wayne, and State of Michigan, hereinafter referred to as the ASSIGNEE, its successors, assigns or other legal representatives, the entire right, title and interest, domestic and foreign, in and to the inventions and discoveries in the above-identified invention including the right of the ASSIGNEE, its successors, assigns or other legal representatives to make applications and to receive Letters Patent for the inventions and discoveries in any and all countries, entities and intergovernmental organizations, in its or their own name or names, or in my name, at its or their election (and I hereby authorize the ASSIGNEE or ASSIGNEE's attorney to insert the serial/application number and filing date of the application to receive Letters Patent herein: Serial No. FCT/US2017/014980, Filing Date 01/25/2017), and I hereby sell, assign and set over to the ASSIGNEE, its successors, assigns or other legal representatives, all rights of priority, including any provisional applications, in and to the inventions and discoveries in any and all countries, entities and intergovernmental organizations including all applications claiming benefit of the filing date hereof, continuations, continuations-in-part, divisionals, reexaminations and reissue applications.

And I hereby agree for myself, my heirs, successors, assigns or other legal representatives to execute any and all papers, including applications for Letters Patent of any and all kinds and in any and all countries, entities and intergovernmental organizations, and to perform any and all acts which the ASSIGNEE, its successors, assigns or other legal representatives may deem necessary to secure thereto the rights herein sold, assigned and set over.

And I hereby represent and warrant that I have not granted any rights inconsistent with the rights granted herein.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years or both.

ASSIGNMENT AND DECLARATION (37 C.F.R. 1.63) FOR UTILITY, PROVISIONAL, OR DESIGN APPLICATION USING AN APPLICATION DATA SHEET (37 C.F.R. 1.70)

Title of Invention **Virtual Reality Remote Valet Parking**

This declaration is directed to:

The attached application, or  
United States application or PCT international application number  
filed on \_\_\_\_\_ (I hereby authorize the insertion of the application number into this form when they become known.)

The above-identified application was made or authorized to be made by me.

I hereby state that I have reviewed and understand the contents of the specification, the abstract, and any drawings including the claims.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I am aware of the duty to disclose information which is material to patentability, as defined in 37 C.F.R. 1.56, in continuation-in-part applications, material information which becomes available between the filing date of the application and the national or PCT international filing date of the continuation-in-part application.

Pursuant to my employment agreement heretofore made with the Corporation of Ford, I do not agree, and hereby assign to FORD GLOBAL TECHNOLOGIES, LLC, a Delaware limited liability company organized and existing under the laws of the State of Delaware, having its principal place of business in Lincoln, County of Wayne, State of Michigan, and hereinafter referred to as the ASSIGNEE, its successors, agents, or other legal representatives, the entire right, title, and interest, domestic and foreign, in and to the inventions and discoveries in the above-identified invention including the name of the ASSIGNEE, its successors, agents, or other legal representatives to make applications and prosecute the same for the inventions and discoveries in any and all countries, and in all international organizations, and in my name or in the name of the ASSIGNEE, its successors, agents, or other legal representatives, and I hereby authorize the ASSIGNEE, its successors, agents, or other legal representatives, to insert the serial/application number and filing date of the application or to revise, amend, or otherwise prosecute the PCT/US2017/014980 filed here 01/25/2017, and I hereby will assign and convey to the ASSIGNEE, its successors, agents, or other legal representatives, all right of priority, including any provisional applications, in and to the invention and discoveries in any and all countries, and in all international organizations, including all applications claiming benefit of the filing date hereof, continuations, continuation-in-part applications, reexaminations and reissue applications.

And I hereby agree for myself, my heirs, successors, agents, or other legal representatives to execute and file, including applications for Letters Patent in any and all lands, and in any and all countries, and in any and all international organizations, and to perform any and all acts which the ASSIGNEE, its successors, agents, or other legal representatives may deem necessary, to secure therein the rights hereof, sold, assigned and set over.

And I hereby represent and warrant that I have not granted any rights inconsistent with the rights granted herein.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 as a criminal offense of not more than five (5) years or both.
