ARTICLE II. GUARANTEE

Section 2.01. Guarantee.

(a) Each Guarantor hereby, jointly and severally, and unconditionally, continually and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, and performance of all Obligations, whether for principal, interest, fees, expenses, costs, indemnification obligations, Hedging Obligations or otherwise and whether accruing before or after the filing of a petition initiating any insolvency, bankruptcy, reorganization or similar proceeding affecting the Borrower or any other Loan Party (together with the obligations described in Section 2.01(b), the “Guaranteed Obligations”).

(b) In addition to and not in limitation of the foregoing, each Guarantor that is a Qualified ECP Guarantor at the time of the Guarantee or the grant by such Guarantor of a security interest to secure the Guaranteed Obligations, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Agreement in respect of Hedging Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.01(b) for the maximum amount of such liability that can be incurred without rendering its obligations under this Section 2.01(b)), or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligation of each Qualified ECP Guarantor under this Section 2.01(b) shall remain in full force and effect until the Guaranteed Obligations have been Paid in Full. Each Qualified ECP Guarantor intends that this Section 2.01(b) constitute, and that this Section 2.01(b) shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

(c) Each Guarantor further agrees that all or part of the Guaranteed Obligations may be increased, extended, substituted, amended, renewed or otherwise modified without notice to or consent from the Guarantors and such actions shall not affect the liability of the Guarantors hereunder. This is a guarantee of payment and performance and not of collection or collectability only and the obligations under this Article II shall be absolute, independent and unconditional under any and all circumstances. Without limiting the generality of the foregoing, this Agreement guarantees, to the extent provided herein, the payment of all amounts which constitute part of the

Guaranteed Obligations and would be owed by the Borrower to the Lender under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Borrower or any other Grantor.

(d) The Lender shall be entitled to make a demand for payment under this Agreement at any time upon or following the occurrence and during the continuance of an Event of Default. The amount set forth in such demand shall then be immediately due and payable by the Guarantors to the Lender, in full in cash.

(e) Notwithstanding the foregoing, it is the intention of each Guarantor and the Lender that the amount of the Obligations guaranteed by such Guarantor under this Agreement shall be in, but not in excess of, the maximum amount permitted by fraudulent conveyance, fraudulent transfer or similar laws applicable to such Guarantor. Accordingly, notwithstanding anything to the contrary contained in this Agreement or any other agreement or instrument executed in connection with the payment of any of the Obligations, the amount of the Obligations shall be limited to an aggregate amount equal to the largest amount that would not render any Guarantor's obligations hereunder subject to avoidance under Section 548 of the United States Bankruptcy Code or any comparable provision of any applicable state law.

Section 2.02. Obligations Absolute. Each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the Credit Agreement and the other Loan Documents to the fullest extent permitted by applicable laws, rules, regulations and orders, now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Lender with respect thereto. The obligations of each Guarantor hereunder shall remain fully effective without regard to, and shall not be affected or impaired by the following, any of which may be taken, at any time, without the consent of, or notice to, each Guarantor, nor shall any of the following give any Guarantor any recourse or right of action against the Lender:

(a) any lack of validity or enforceability of, or any release or discharge of the Borrower or any other Loan Party from liability under, the Credit Agreement or any other Loan Document;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other amendment or waiver of, or any consent to departure from, the Credit Agreement or any other Loan Document;

(c) any taking, subordination, compromise, exchange, release, nonperfection or liquidation of any Collateral, or any release, amendment or waiver of, or consent to departure from, any other guarantee, for any or all of the Guaranteed Obligations;

(d) any express or implied amendment, modification, renewal, supplement, extension (including, without limitation, extensions beyond the original term) or acceleration of the Guaranteed Obligations, the Credit Agreement or any of the Loan Documents;

(e) any exercise or non-exercise by the Lender of any right or privilege under this Agreement or any of the other Loan Documents;

(f) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding (each, an “Insolvency Proceeding”) relating to the Guarantors, the Borrower or any other guarantor of the Guaranteed Obligations or any action taken with respect to this Agreement by any trustee or receiver, or by any court, in any Insolvency Proceeding, whether or not such Guarantor shall have had notice or knowledge of any of the foregoing;

(g) any assignment or other transfer of this Agreement in whole or in part or of any of the other Loan Documents;

(h) any acceptance of partial performance of the Guaranteed Obligations or the obligations of the Borrower under the Loan Documents or of any obligations of the Guarantors under this Agreement;

(i) any consent to the transfer of any or all Collateral by any Grantor purported to be subject to a Lien in favor of the Lender;

(j) any bid or purchase at any sale of any Collateral; or

(k) any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Guarantor (other than the payment in full in cash of the Guaranteed Obligations).

Each Guarantor understands and acknowledges that by virtue of this Agreement, it has specifically assumed any and all risks of a bankruptcy or reorganization case or proceeding with respect to the Borrower. As an example and not in any way of limitation, a subsequent modification of the Guaranteed Obligations in any reorganization case concerning the Borrower shall not affect the obligation of each Guarantor to pay and perform the Guaranteed Obligations in accordance with their respective terms prior to such reorganization case. If a claim is ever made upon the Lender for repayment of any amount or amounts received by them in payment of the Guaranteed Obligations and the Lender repays all or any part of said amount, then, notwithstanding any revocation or termination of this Agreement or any other instrument evidencing the Guaranteed Obligations, the obligations of each Guarantor hereunder shall be revived and all rights thereunder shall be restored to the Lender in accordance with the terms of this Agreement for the amount so repaid to the same extent as if such amount had never originally been received by the Lender.

Section 2.03. Waivers; Postponement. Each Guarantor irrevocably and unconditionally waives all defenses to the enforcement of this Agreement to the maximum extent permitted by applicable law (other than the payment in full in cash of the Guaranteed Obligations), including, without limitation:

(a) promptness, diligence, presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, and notices of acceptance of this Agreement;

(b) any right to require the Lender to proceed against the Borrower or any other guarantor of the Guaranteed Obligations at any time, or to proceed against or exhaust any security held by the Lender at any time, or to pursue any other remedy whatsoever at any time;

(c) the defense of any statute of limitations affecting the liability of each Guarantor hereunder, the liability of the Borrower or any other guarantor of the Guaranteed Obligations, or the enforcement hereof, to the extent permitted by law;

(d) any defense arising by reason of any invalidity or unenforceability of any of the Loan Documents or any provision thereof, or the disability of the Borrower or any guarantor of the Guaranteed Obligations or of any manner in which the Lender has exercised its rights and remedies under the Loan Documents, or by any cessation from any cause whatsoever of the liability of the Borrower or any guarantor of the Guaranteed Obligations;

(e) any defense based on any action taken or omitted by the Lender in any Insolvency Proceeding involving the Borrower or the Guarantors, including any election to have the Lender's claim allowed as being secured, partially secured or unsecured, any extension of credit by the Lender to the Borrower in any Insolvency Proceeding and the taking and holding by the Lender of any security for any such extension of credit;

(f) any defense based upon an election of remedies by the Lender, including, without limitation, any election to proceed by judicial or nonjudicial foreclosure of any Lien granted under the Loan Documents, whether on real property or personal property, or by deed in lieu thereof, and whether or not every aspect of any foreclosure sale is commercially reasonable, or any election of remedies, including but not limited to, remedies relating to real property or personal property security, that destroys or otherwise impairs any subrogation rights of the Guarantors or the rights of the Guarantors to proceed against the Borrower or any other guarantor of the Guaranteed Obligations for reimbursement, or both;

(g) any right the Guarantors may have under applicable law to a hearing with respect to the fair market value of any Property securing the Guaranteed Obligations, either before or after foreclosure, and any right the Guarantors may have to require the Lender to proceed against any Collateral before seeking to obtain a judgment against the Guarantors hereunder;

(h) any duty of the Lender to advise the Guarantors of any information known to the Lender regarding the financial condition of the Borrower and all other circumstances affecting the Borrower's ability to perform its obligations to the Lender; it being agreed that the Guarantors assume the responsibility for being and keeping informed regarding such condition or any such circumstances;

(i) any right of subrogation, reimbursement, exoneration, contribution, indemnity or otherwise against the Borrower that may arise out of or be caused by this Agreement, all rights and/or claims against the Borrower which may arise against such Borrower by reason of this Agreement, any right to enforce any remedy that the Lender now has or may hereafter have against the Borrower and any benefit of, and any right to participate in, any security now or hereafter held by the Lender;

(j) any right the Guarantors might have to revoke this Agreement as to any advances made by the Lender to or on behalf of the Borrower or pursuant to the terms of any of the Loan Documents;

(k) any failure by the Lender to perfect or continue the perfection of any lien or security interest in any Collateral, including, but not limited to, the collateral given under the Loan Documents or any failure by the Lender to protect the property covered by any such lien or security interest;

(l) any right to interpose any defense, counter-claim or offset of any nature and description which the Guarantors may now have or which may exist between and among the Lender and the Loan Parties;

(m) in furtherance and not in limitation of the foregoing to the maximum extent permitted by applicable law, each Guarantor waives all rights and defenses arising out of an election of remedies by the Lender, even though that election of remedies has destroyed any Guarantor's rights of subrogation and reimbursement against the Borrower; and

Section 2.04. Waivers to Be Effective to Maximum Permissible Extent. Each Guarantor acknowledges and agrees that all waivers of defenses arising from any impairment of such Guarantor's respective rights of subrogation, reimbursement, contribution and indemnification and waivers of any other rights, privileges, defenses or protections available to such Guarantor under applicable law are intended by such Guarantor to be effective to the maximum extent permitted by applicable law.

Section 2.05. Waiver of Defense Based on Elimination of Right of Subrogation.

(a) Each Guarantor waives all rights and defenses arising out of an election of remedies by the Lender under the Loan Documents and under applicable law even though that election of remedies, such as nonjudicial foreclosure with respect to security for a Guaranteed Obligation, has destroyed any right of such Guarantor to subrogation and reimbursement against the Borrower.

(b) In furtherance of the foregoing, each Guarantor waives all rights and defenses that the Guarantors may have because the Borrower's Obligations to the Lender are secured by real property. This means, among other things:

(i) the Lender may collect from the Guarantors without first foreclosing on any real or personal property Collateral pledged by the Borrower.

(ii) if the Lender forecloses on any other real property Collateral pledged by the Borrower:

(1) the amount of the Guaranteed Obligations may be reduced only by the price for which the Collateral is sold at the foreclosure sale, even if such Collateral is worth more than the sale price.

(2) the Lender may collect from the Guarantors even if the Lender, by foreclosing on the personal property or real property Collateral, has destroyed any right any Guarantor may have to collect from the Borrower.

This is an unconditional and irrevocable waiver of any rights and defenses the Guarantors may have because the Borrower's Obligations are secured by real property.

Section 2.06. Subrogation. Each Guarantor understands that the exercise by the Lender of certain rights and remedies under the Loan Documents may affect or eliminate such Guarantor's right of subrogation against the Borrower or any other Guarantor and that such Guarantor may therefore incur partially or totally nonreimbursable liability hereunder. Nevertheless, the Guarantors hereby authorize and empower the Lender, its successors, endorsees and/or permitted assigns to exercise in its or their sole discretion, any rights and remedies, or any combination thereof, which may then be available under the Loan Documents and under applicable law, it being the purpose and intent of the Guarantors that the obligations hereunder shall be absolute, continuing, independent and unconditional under any and all circumstances until the payment in full in cash of the Guaranteed Obligations. Notwithstanding any other provision of this Agreement to the contrary, the Guarantors hereby agree to postpone, until such time as the Guaranteed Obligations have been Paid in Full, any claim or other rights which the Guarantors may now have or hereafter acquire against the Borrower or any other Guarantor of all or any of the obligations of the Guarantors hereunder that arise from the existence or performance of the Guarantors' obligations under this Agreement or any of the other Loan Documents, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification, any right to participate in any claim or remedy of the Lender against the Borrower or any Collateral the Lender now has or hereafter acquires, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, by any payment made hereunder or otherwise, including, without limitation, the right to take or receive from the Borrower, directly or indirectly, in cash or other property or by setoff or in any other manner, payment or security on account of such claim or other rights.

Section 2.07. Independent and Separate Obligations. The obligations of the Guarantors hereunder are independent of the obligations of the Borrower and are joint and several with the other Guarantors and, upon the occurrence and during the continuance of any Event of Default hereunder, a separate action or actions may be brought and prosecuted against the Borrower, whether or not the Guarantors are joined therein or a separate action or actions is brought against the Guarantors. The Lender's rights hereunder shall not be exhausted until all of the Guaranteed Obligations shall have been fully paid in cash and the Commitments shall have been terminated or shall have expired.

Section 2.08. Subordination. Any Indebtedness of the Borrower now or hereafter held by any Guarantor is hereby subordinated to the prior payment in full in cash of the Guaranteed Obligations. During the existence of an Event of Default, each Guarantor agrees not to ask for, demand, sue for, take or receive from the Borrower, directly or indirectly, in cash or other property, by setoff or in any other manner (including, without limitation, from or by way of collateral), payment of all or any of such indebtedness of the Borrower unless and until the Guaranteed Obligations shall have been fully paid in cash and the Commitments shall have been terminated or shall have expired. If the Guarantors shall receive any payments from the Borrower in violation of the preceding sentence, the Guarantors shall act as trustee for the Lender and promptly pay over to the Lender any amounts received in violation of this Agreement by the Guarantors to be applied against the Guaranteed Obligations as determined by the Lender.

Section 2.09. Payments. It is understood that the Guaranteed Obligations may at any time and from time to time exceed the aggregate liability of the Guarantors hereunder without impairing this Agreement. Each Guarantor agrees that whenever it shall make any payment to the Lender hereunder on account of the liability hereunder, it will deliver such payment to the Lender at the address provided for it in Section 5.05 below and notify the Lender in writing that such payment is made under this Agreement for such purpose. It is understood that the Lender, without impairing this Agreement, may apply payments from the Borrower to the Guaranteed Obligations as determined by the Lender. No payment made hereunder by the Guarantors to the Lender shall constitute the Guarantors as creditors of the Lender or the Borrower.

Section 2.10. Payments in Trust. If any amount shall be paid to the Guarantors contrary to the provisions of Section 2.06 and Section 2.08 hereof, such amount shall be held in trust for the benefit of the Lender and shall forthwith be paid to the Lender to be credited and applied to the Guaranteed Obligations, whether matured or unmatured, as determined by the Lender.

Section 2.11. Continuing Guarantee; Successors. The obligations of the Guarantors under this Agreement and the Loan Documents shall continue in full force and effect until the Guaranteed Obligations shall have been Paid in Full. This Agreement shall be binding upon each Guarantor and its successors and assigns (provided that no Guarantor may assign this Agreement without the prior written consent of the Lender) and shall inure to the benefit of and be enforceable by the Lender and its successors, transferees and permitted assigns. Without limiting the generality of the foregoing, and without notice to the Guarantors, the Lender may assign or otherwise transfer any of its rights and obligations under the Loan Documents to any other Person in accordance with the terms of the Credit Agreement, and such other Person shall thereupon become vested with all the rights in respect thereof granted to the Lender herein or otherwise.

Section 2.12. Demands. The Lender shall be entitled to make a demand for payment under this Agreement at any time upon the occurrence and during the continuance of an Event of Default. The amount set forth in such demand shall then be immediately due and payable by the Guarantors to the Lender in full in cash. Each demand by the Lender for performance or payment hereunder shall be in writing and shall be made in the manner set forth in Section 5.05. A dated statement signed by an officer of the Lender setting forth the amount of indebtedness at the time owing to the Lender by the Borrower under the Loan Documents shall, absent manifest error, be conclusive evidence thereof as between each Guarantor and the Lender in any legal proceedings against any Guarantor in connection with this Agreement; provided, however, in the event of any inconsistency between the Register and such statement, the amount owed set forth in the Register shall govern.

ARTICLE III. SECURITY INTEREST

Section 3.01. Creation of Security Interest. Each Grantor hereby pledges and grants to the Lender a security interest in and to, liens on, and all right, title and interest of each Grantor in and to, all presently existing and hereafter acquired Collateral, wherever located.

Section 3.02. Security for Obligations. This Agreement and the pledges made and security interests granted herein secure the prompt payment, in full in cash, and full performance of, the Obligations.

Section 3.03. Delivery of Pledged Collateral.

(a) Each Certificate shall, (i) on the Closing Date (with respect to Certificates existing on such date, if any) and (ii) promptly (and in any event within 5 days) (or such later date as permitted by the Lender in its reasonable discretion) after receipt or acquisition by any Grantor (with respect to Certificates received or acquired after the Closing Date, if any)), be delivered to and held by the Lender (or its agent or designee as specified by Lender) and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed undated endorsements, instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Lender.

(b) The Lender shall have the right, upon the occurrence and during the continuance of an Event of Default, upon notice to the Grantors, to transfer to or to direct any Grantor or any nominee of such Grantor to register or cause to be registered in the name of the Lender or any of its nominees any or all of the Pledged Collateral. In addition, upon the occurrence and during the continuation of an Event of Default, the Lender shall have the right at any time to exchange certificates or instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations.

Section 3.04. Further Assurances.

(a) At any time and from time to time, at the written request of the Lender, the Grantors shall execute and deliver to the Lender, at the Grantors' expense, all instruments, certificates and documents in form and substance reasonably satisfactory to the Lender, authorize the filing of such financing statements, and perform all such other acts as shall be necessary or desirable to perfect (if and to the extent perfection is required by this Agreement or the other Loan Documents) or protect or maintain, when filed, recorded, delivered or performed, the Lender's security interests granted pursuant to this Agreement or to enable the Lender to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, the Grantors shall:

(i) at the reasonable request of the Lender, if any Collateral is evidenced by an instrument or chattel paper, in each case, having an aggregate value for all such instruments or chattel paper of all Grantors in excess of \$200,000, (A) in the case of any such instrument or tangible chattel paper in the possession of any Grantor, mark conspicuously on each such document or contract a legend, in form and substance reasonably satisfactory to the Lender, indicating that such document or contract is subject to the security interests granted hereby and, at the reasonable written request of the Lender, promptly (and in any event within three (3) Business Days (or such later period as the Lender may agree to in its reasonable discretion)) deliver such instrument or tangible chattel paper to the Lender, duly indorsed in a manner reasonably satisfactory to the Lender, and (B) in the case of any such electronic chattel paper, take all commercially reasonable steps necessary to establish "control" under the Uniform Commercial Code

with respect to such electronic chattel paper of the Grantor, including, but not limited to, creating, storing and assigning the records comprising electronic chattel paper in such a manner that (1) a single authoritative copy of the record or records exists which is unique, identifiable, and, except as otherwise provided in this Agreement, unalterable, (2) the authoritative copy identifies the Lender as the assignee of the record or records, (3) the authoritative copy is communicated to and maintained by the Lender or its designated custodian, (4) the identification of the Lender as assignee of the authoritative copy cannot be altered without the Lender's consent, (5) all copies of the authoritative copy are readily identifiable as copies, and not the authoritative copy and (6) any amendment of the authoritative copy is readily identifiable as authorized or unauthorized;

(ii) at the reasonable request of the Lender, if any Collateral that is Pledged Debt shall be evidenced by a promissory note or other instrument, within 5 days (or such later period as the Lender may agree to in its reasonable discretion) of such request, deliver and pledge to the Lender, such note(s) and/or other instrument(s) duly endorsed and accompanied by duly executed undated instruments of transfer or assignment, all in form and substance reasonably satisfactory to the Lender;

(iii) authorize the filing of such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Lender may reasonably request, in order to perfect (if and to the extent such perfection is required by this Agreement or the other Loan Documents) and preserve, with the required priority, the security interests granted, or purported to be granted hereby;

(iv) concurrently with the delivery of each Covenant Compliance Certificate referred to in Section 8(e)(i) of the Revolving Credit Agreement (or if a Default is in existence, more frequently upon the request of the Lender), execute and deliver to the Lender for recordation and filing in the United States Copyright Office a copy of this Agreement or another appropriate copyright security document in form and substance reasonably satisfactory to the Lender in respect of any registration, or application therefor, of any Copyright under the Copyright Act;

(v) concurrently with the delivery of each Covenant Compliance Certificate referred to in Section 8(e)(i) of the Revolving Credit Agreement (or if a Default is in existence, more frequently upon the request of the Lender), execute and deliver to the Lender for recordation and filing in the United States Patent and Trademark Office a copy of this Agreement or another appropriate patent or trademark security document, as applicable, in form and substance reasonably satisfactory to the Lender in respect of registration, or application therefor, of any Patent or Mark;

(vi) subject to the terms of the Credit Agreement, with respect to Deposit Accounts and securities accounts of the Grantors (other than any Excluded Account) opened after the Closing Date, within 30 days (or such later date as agreed to by the Lender in its sole discretion) after opening such accounts, cause Control Agreements, in form and substance reasonably satisfactory to the Lender, to be executed by all parties necessary to establish "control" under the Uniform Commercial Code with respect to such Deposit Accounts and securities accounts of the Grantors (other than any Excluded

Account); and

(vii) with respect to any interest in any commercial tort claim which involve an amount in controversy in excess of \$100,000, such Grantor shall, promptly upon request of the Lender, take all such actions as required by Section 3.11(c) hereof.

(b) At any time and from time to time, except as otherwise not required to be provided under this Agreement, the Lender shall be entitled to file and/or record any or all such financing statements, instruments and documents held by it, and any or all such further financing statements, documents and instruments, relative to the Collateral or any part thereof in each instance, and to take all such other actions as the Lender may reasonably deem necessary or appropriate to perfect and to maintain perfected the security interests granted herein.

(c) Each Grantor hereby authorizes the Lender to file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of any Grantor where permitted by law. A carbon, photographic or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law. Additionally, each Grantor authorizes the Lender, its counsel or its representative, at any time and from time to time, to file or record such financing statements that describe the collateral covered thereby as "all assets of the Debtor", "all personal property of the Debtor", in each case "whether now owned or hereafter acquired or arising" or words of similar effect.

(d) The Grantors shall furnish to the Lender concurrently with the delivery of each Covenant Compliance Certificate referred to in Section 8(e)(i) of the Revolving Credit Agreement (or if an Event of Default has occurred and is continuing, more frequently upon the request of the Lender), supplements to the Schedules to this Agreement and such other reports in connection with the Collateral as the Lender may reasonably request including the following:

(e) (i) if any Grantor obtains any rights or interests in any Deposit Accounts (other than those held with the Lender), securities accounts or Pledged Debt, such Grantor shall, in addition to all other acts required to be performed in respect thereof pursuant to this Agreement, supplement Schedule E to reflect such additional Deposit Accounts, securities accounts, or Pledged Debt; (ii) if any Grantor publishes or registers, or applies for registration, of any copyright under the Copyright Act, such Grantor shall, in addition to all other acts required to be performed in respect thereof pursuant to this Agreement, supplement Schedule B to reflect the publication or registration of such copyright or application therefor; (iii) if any Grantor obtains a registration in any Marks, such Grantor shall, in addition to all other acts required to be performed in respect thereof pursuant to this Agreement, supplement Schedule B to reflect such additional Marks; (iv) if any Grantor obtains any issued Patents or applications for Patents, such Grantor shall, in addition to all other acts required to be performed in respect thereof pursuant to this Agreement, supplement Schedule B to reflect such Patents; (v) if any Grantor receives or acquires any additional shares of Capital Stock of any Person, any additional partnership interests in any partnership or joint venture or any additional Limited Liability Company Interests, such Grantor shall, in addition to all other acts required to be performed in respect thereof pursuant to this Agreement, supplement Schedule A to reflect such additional Pledged Collateral; (vi) if any Grantor obtains any rights or interests in any tangible chattel paper or electronic chattel paper that

in the aggregate have a value or face amount in excess of \$200,000, supplement Schedule E to reflect such chattel paper; (vii) if any Grantor obtains any Pledged Debt evidenced by a promissory note or other instrument, supplement Schedule E to reflect such additional Pledged Debt; (viii) if any Grantor obtains Collateral consisting of a certificate of title with a market value of more than \$200,000 supplement Schedule G to reflect such additional Collateral; (ix) if any Grantor holds any Inventory and/or Equipment at a location other than as set forth in Schedule C (except for any equipment and/or Inventory in transit from one location on Schedule C to another location on Schedule C in the ordinary course of business), supplement Schedule C (or deliver another document in form and substance reasonably satisfactory to the Lender) to reflect such locations; (x) if the chief executive office of any Grantor is located at an address other than as set forth for the Grantor on Schedule D or if any records concerning any Accounts and/or all originals of any contracts and other writings which evidence any Accounts are located at an addresses other than as set forth for the Grantor on Schedule D, supplement Schedule D to reflect such locations; and (xi) if any Grantor obtains any rights or interests in any commercial tort claims with a value in excess of \$100,000, such Grantor shall, in addition to all other acts required to be performed in respect thereof pursuant to this Agreement, supplement Schedule E to reflect such additional commercial tort claims.

(f) Upon the occurrence and during the continuance of an Event of Default, and upon 30 days' notice from the Lender, with respect to any Collateral consisting of a certificate of title with a market value of more than \$200,000 as to which the Lender's security interest needs be perfected by, or the priority thereof needs be assured by, notation on the certificate of title pertaining to such Collateral, the Grantors will (i) promptly (and in event within three (3) Business Days (or such later date as the Lender may agree to in its reasonable discretion) notify the Lender of the acquisition thereof and (ii) at the reasonable written request of the Lender, cause such security interest to be noted on such certificate of title.

(g) With respect to any Collateral consisting of Certificates, each Grantor hereby consents and agrees that, upon the occurrence and during the continuance of an Event of Default, the issuers of, or obligors on, any such Collateral, or any registrar or transfer agent or trustee for any such Collateral, shall be entitled to the fullest extent permitted under applicable laws to accept the provisions of this Agreement as conclusive evidence of the right of the Lender to effect any transfer or exercise any right hereunder or with respect to any such Collateral subject to the terms hereof, notwithstanding any other notice or direction to the contrary heretofore or hereafter given by such Grantor or any other Person to such issuers or such obligors or to any such registrar or transfer agent or trustee.

Section 3.05. Voting Rights; Dividends; Etc. So long as no Event of Default shall have occurred and be continuing:

(a) Voting Rights. The Grantors shall be entitled to exercise any and all voting and other consensual rights pertaining to the Pledged Collateral (including all voting, consent, administration, management and other rights and remedies under any partnership agreement or any operating agreement or otherwise with respect to the Pledged Collateral), or any part thereof, for any purpose not in violation of the terms of this Agreement, the Credit Agreement or the other Loan Documents; provided, however, that no Grantor shall exercise any such right if it would knowingly result in a Default.

(b) Dividend and Distribution Rights. Subject to the terms of the Credit Agreement, the Grantors shall be entitled to receive and to retain and use any and all dividends or distributions paid in respect of the Pledged Collateral; provided, however, that any and all non-cash dividends or non-cash distributions in the form of certificated Capital Stock, certificated limited liability interests, instruments or other property received, receivable or otherwise distributed in respect of, or in exchange for, any Pledged Collateral, shall promptly be delivered to the Lender to be held as Collateral or applied to the Obligations in accordance with the Credit Agreement, as the Lender shall elect; and, if received by any Grantor, shall be received in trust for the benefit of the Lender, be segregated from the other property of the Grantors and promptly be delivered to the Lender in the same form as so received (with any necessary endorsements) to be held as Collateral or applied to the Obligations as the Lender shall elect.

Section 3.06. Rights as to Pledged Collateral During Event of Default. After an Event of Default has occurred and while such Event of Default is continuing:

(a) Voting, Dividend and Distribution Rights. At the option of the Lender and upon notice to the Grantors, all rights of the Grantors to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 3.05(a) above, and to receive the dividends and distributions which it would otherwise be authorized to receive and retain pursuant to Section 3.05(b) above, shall cease, and all such rights shall thereupon become vested in the Lender who shall thereupon have the sole right to exercise such voting and other consensual rights and to receive and to hold as Pledged Collateral such dividends and distributions.

(b) Dividends and Distributions Held in Trust. All dividends and other distributions which are received by the Grantors contrary to the provisions of Section 3.06(a) of this Agreement shall be received in trust for the benefit of the Lender, shall be segregated from other funds of the Grantors and promptly shall be paid over to the Lender as Collateral in the same form as so received (with any necessary endorsements) to be held as Collateral or applied to the Obligations, as the Lender may elect.

(c) Registration. Determination by the Lender to exercise its right to sell pursuant to Section 4.04 hereof any or all of the Pledged Securities without registering the Pledged Securities under the Securities Act of 1933 shall not be deemed to be commercially unreasonable solely by virtue of the fact that such Pledged Securities were not so registered (provided that any such sale shall be conducted in accordance with the Uniform Commercial Code and other applicable laws (including securities laws)).

Section 3.07. Irrevocable Proxy. Each Grantor hereby revokes all previous proxies (if any) with regard to the Pledged Collateral and appoints the Lender as its proxyholder and attorney-in-fact to, so long as such actions are performed in accordance with the Organic Documents and applicable law, (i) attend and vote at any and all meetings of the shareholders of the corporation(s) which issued the Pledged Securities that are Collateral (whether or not transferred into the name of the Lender), and any adjournments thereof, held on or after the date of the giving of this proxy and to execute any and all written consents, waivers and ratifications of shareholders of such corporation(s) executed on or after the date of the giving of this proxy with the same effect as if the Grantors had personally attended the meetings or had personally voted its shares or had personally signed the written consents, waivers or ratification, (ii) attend and vote at

any and all meetings of the members of the Pledged Entities (whether or not such Pledged Limited Liability Company Interests are transferred into the name of the Lender), and any adjournments thereof, held on or after the date of the giving of this proxy and to execute any and all written consents, waivers and ratifications of the Pledged Entities (to the extent such Pledged Entity is a Guarantor) executed on or after the date of the giving of this proxy with the same effect as if the Grantor had personally attended the meetings or had personally voted on its Limited Liability Company Interests or had personally signed the consents, waivers or ratifications and (iii) attend and vote at any and all meetings of the partners of the any partnership(s) which issued the Pledge Partnership Interests (whether or not such Pledged Partnership Interests are transferred into the name of the Lender), and any adjournments thereof, held on or after the date of the giving of this proxy and to execute any and all written consents, waivers and ratifications of the partners of such partnership(s) executed on or after the date of the giving of this proxy with the same effect as if the Grantor had personally attended the meetings or had personally voted on its Pledged Partnership Interests or had personally signed the consents, waivers or ratifications; provided, however, that, for the avoidance of doubt, in each case of the foregoing in this Section 3.07, the revocation of existing proxies (if any) shall not be effective until, and the appointment of the Lender as proxyholder and attorney-in-fact shall not be effective until, the occurrence and during the continuance of an Event of Default. The Grantors hereby authorize the Lender to substitute another Person (which Person shall be a successor to the rights of the Lender hereunder or a nominee appointed by the Lender to serve as proxyholder) as the proxyholder and, upon the occurrence or during the continuance of any Event of Default, hereby authorize and direct the proxyholder to file this proxy and the substitution instrument with the secretary of the appropriate corporation, limited partnership or limited liability company. This proxy is coupled with an interest and is irrevocable until such time as the Guaranteed Obligations have been Paid in Full and any applicable bankruptcy preference period has expired or terminated .

Section 3.08. Copyrights.

(a) Royalties. The Grantors hereby agree that the use by the Lender of the Copyrights as authorized hereunder in connection with the Lender's exercise of their rights and remedies hereunder shall be without any liability for royalties or other related charges from the Lender to the Grantors.

(b) Restrictions on Future Agreements. Subject to the terms hereof and of the Credit Agreement, the Grantors shall be permitted to manage, license and administer their Copyrights and to become a licensee of other copyrights in such manner as the Grantors in their reasonable business judgment deems desirable; provided, however, that the Grantors will not, without the Lender's prior written consent (which consent shall not be unreasonably withheld or delayed), (i) abandon any Material Copyright in which any Grantor now owns or hereafter acquires any rights or interests, (ii) enter into any license agreements in which any Grantor licenses any of its Material Copyrights to another Person or (iii) fail to take any action, or permit any others (including licensees) to fail to take any action with respect to its Material Copyrights, which would customarily be taken by a Person in the same business and in similar circumstances as such Grantor.

(c) Duties of the Grantors. The Grantors agree to: (i) prosecute diligently any Material Copyright, (ii) upon the occurrence and during the continuance of an Event of Default,

make application for registration of such uncopyrighted but copyrightable material owned by any Grantor as the Lender reasonably deems appropriate, (iii) place notices of copyright on all material copyrightable property produced or owned by any Grantor embodying the Copyrights and cause its licensees to do the same, and (iv) take all action necessary to preserve and maintain all rights in the Material Copyrights, including making timely filings for renewals and extensions of such Copyrights and diligently monitoring unauthorized use thereof. Any expenses incurred in connection with the foregoing shall be borne by the Grantors, jointly and severally. The Grantors shall give proper statutory notice in connection with their use of each Material Copyright to the extent necessary for the protection thereof. The Grantors shall notify the Lender of any suits they commence to enforce any Copyright and shall provide the Lender with copies of any documents reasonably requested by the Lender in writing relating to such suits. The Lender shall not have any duty with respect to the Copyrights other than to act lawfully and without gross negligence or willful misconduct. Without limiting the generality of the foregoing, the Lender shall not be under any obligation to take any steps necessary to preserve rights in the Copyrights against any other party, but the Lender may do so at its option upon the occurrence and during the continuance of an Event of Default, and all expenses incurred in connection therewith shall be for the account of the Grantors and shall be added to the Obligations.

Section 3.09. Patents and Marks.

(a) Royalties. The Grantors hereby agree that any rights granted hereunder to the Lender with respect to Patents and Marks shall be applicable to all territories in which the Grantors have the right to use such Patents and Marks, from time to time, and without any liability for royalties or other related charges from the Lender to the Grantors.

(b) Restrictions on Future Agreements. Subject to the terms hereof and of the Credit Agreement, the Grantors shall be permitted to manage, license and administer their Patents and Marks and to become a licensee of other patents and trademarks in such manner as the Grantors in their reasonable business judgment deems desirable; provided, however, that the Grantors will not, without the Lender's prior written consent (which consent shall not be unreasonably withheld or delayed), (i) abandon any Material Patent or Material Mark in which any Grantor now owns or hereafter acquires any rights or interests, (ii) enter into any license agreements pursuant to which any Grantor licenses any Material Patent or Material Mark to another Person or (iii) fail to take any action, or permit any others (including licensees) to fail to take any action with respect to their Material Patents or Material Marks, which would customarily be taken by a Person in the same business and in similar circumstances as such Grantor.

(c) Duties of the Grantors. The Grantors agree to: (i) prosecute diligently any Material Patent and Material Mark, (ii) upon the occurrence and during the continuance of an Event of Default, make application on unpatented but patentable inventions owned by the Grantors and on unregistered Marks, as the case may be, as the Lender reasonably deems appropriate, (iii) file and prosecute opposition and cancellation proceedings in respect of Material Patents and Material Marks and (iv) take all action necessary to preserve and maintain all rights in the Material Patents and Material Marks, including making timely filings for renewals and extensions of such Patents and Marks and diligently monitoring unauthorized use thereof. Any expenses incurred in connection with the foregoing shall be borne by the Grantors, jointly and severally. The Grantors shall give proper statutory notice in connection with their use of each Material Mark and each

Material Patent to the extent necessary for the protection thereof. The Grantors shall notify the Lender of any suit it commences to enforce any Material Patent or Material Mark and shall provide the Lender with copies of any documents reasonably requested by the Lender in writing relating to such suit. The Lenders shall not have any duty with respect to the Patents and Marks other than to act lawfully and without gross negligence or willful misconduct. Without limiting the generality of the foregoing, the Lender shall not have any obligation to take any steps necessary to preserve rights in the Patents and Marks against any other party, but the Lender may do so at its option upon the occurrence and during the continuance of an Event of Default, and all expenses incurred in connection therewith shall be for the account of the Grantors and shall be added to the Obligations.

Section 3.10. Grantors' Representations and Warranties. In addition to the representations and warranties set forth in the Credit Agreement that are applicable to such Grantor, which are hereby incorporated by reference to the extent such Grantor is not a party thereto, each Grantor represents and warrants as follows:

(a) Organizational Matters. (i) Schedule C (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents) sets forth each location at which Inventory and/or Equipment is located, (ii) the chief executive office of such Grantor; where the Grantor keeps its records concerning the Collateral and the chattel paper evidencing the Collateral, is located at the address set forth for the Grantor on Schedule D (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents); (iii) all records concerning any Accounts and all originals of all contracts and other writings which evidence any Accounts are located at the addresses listed on Schedule D (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents); (iv) the Grantor has exclusive possession and control of the Equipment and the Inventory as forth on Schedule C (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents), except for such Equipment and Inventory held at customer locations or any equipment and/or Inventory in transit from one location on Schedule C to another location on Schedule C in the ordinary course of business; (v) such Grantor's exact legal name and the jurisdiction of formation of such Grantor are set forth on Schedule F (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents); (vi) each trade name or other fictitious name under which any Grantor conducts business as of the Closing Date or has conducted business at any time during the five (5) years immediately preceding the Closing Date is set forth on Schedule D (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents); and (vii) each Grantor's organizational identification number for the state of its organization is set forth on Schedule F (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents).

(b) Valid Grant of Security Interest. The Grantors are the legal and beneficial owners of the Collateral free and clear of all Liens except for Liens permitted by Section 9(b) of the Credit Agreement. The Grantors have the power and authority to grant the security interests in the Collateral purported to be granted hereby, and to execute, deliver and perform this Agreement. The pledge of the Collateral pursuant to this Agreement creates a valid security interest in the Collateral. Except to the extent (i) a security interest in the Collateral cannot be perfected by the filing of a financing statement under the Uniform Commercial Code, all filings and other actions

necessary to perfect such Security Interest (if and to the extent such perfection is required by this Agreement and the other Loan Documents) have been duly taken or will have been taken upon the filing of financing statements listing each applicable Grantor, as a debtor, and Lender, as secured party, in the jurisdictions listed next to such Grantor's name on Schedule F, (ii) in the case of (A) the Pledged Equity, when certificates representing such Pledged Equity are delivered to the Lender (together with duly executed stock powers, undated and endorsed in blank), and (B) all other Collateral, to the extent a security interest therein can be perfected by the filing of a financing statement under the UCC, when a UCC-1 financing statement has been filed against such Grantor in the jurisdictions listed next to such Grantor's name on Schedule F, (iii) the recordation of appropriate documentation with the United States Copyright Office and the United States Patent and Trademark Office, as applicable, (iv) the execution of Control Agreements with respect to the Deposit Accounts, commodities accounts and the securities accounts (other than any Excluded Accounts) of the Grantors, and (v) the execution of landlord waivers and bailee letters with respect to certain Collateral held by third parties as required by the Credit Agreement, the Lender will have a fully perfected first-priority Lien in all Collateral (except for Liens permitted by Section 9(b) of the Credit Agreement).

(c) Authorization and Issuance. The Pledged Collateral have been duly authorized and validly issued and, to the extent such concept is applicable, are fully paid and nonassessable.

(d) No Consents, Etc. No consent of any Person (including any partner in a partnership with respect to which any Grantor has pledged its interest as a Pledged Partnership Interest under this Agreement or any member in a Pledged Entity) is required for the pledge by such Grantor of the Collateral except for those consents which have been made or obtained prior to the effectiveness of such pledge.

(e) Capitalization. The Pledged Collateral described on Schedule A (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents) constitutes (i) all of the Capital Stock of any Person owned by each Grantor, (ii) such Grantor owns the percentage of the issued and outstanding shares of the Pledged Collateral indicated on Schedule A (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents), and (iii) there is no other class of shares issued and outstanding of the Pledged Collateral that is owned by any Grantor except as set forth on Schedule A (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents).

(f) No Governmental Authorizations, Etc. As of the Closing Date, no authorization, approval or other action by, and no notice to or filing with, any governmental authority (other than (i) such authorizations, approvals and other actions as have already been taken and are in full force and effect, (ii) the filing of a UCC-1 financing statement in favor of the Lender with the Secretary of State of the jurisdiction of formation of each Grantor indicating each Grantor as a debtor and as otherwise in proper form for filing with the Secretary of State of each such jurisdiction of formation, (iii) the recordation and filing in the United States Patent and Trademark Office of documentation evidencing the security interest in the U.S. Marks listed in Schedule B, (iv) the other filings and recordings required to perfect the Liens in the Collateral, and (v) those, that if not obtained, would not have a Material Adverse Effect) is required (A) for the

execution and delivery or performance of this Agreement by each Grantor, or (B) for the exercise by the Lender of the voting rights in the Pledged Collateral or of any other rights or remedies in respect of the Collateral hereunder except as may be required in connection with any disposition of Collateral consisting of securities by laws affecting the offering and sale of securities generally and other applicable law.

(g) Intellectual Property. No Grantor owns a registration for, or has applied for any registration of Copyrights, Marks or Patents, other than those set forth on Schedule B (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents). Except as set forth on Schedule B (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents), none of such registered Copyrights, registered Marks or issued Patents has been registered with any governmental authority, nor has an application for such registration been made. Each Grantor owns, or possesses the right to use, all Intellectual Property rights that are reasonably necessary for the operation of its business as presently conducted, without material conflict with the rights of any other Person. To the best knowledge of the Grantors, no material right, product, process, method, substance, part or other material now employed, or now contemplated to be employed, by any Grantor infringes upon any rights held by any other person except in such instances in which the loss of such right, advertising device, product, process, method, substance, part or other material, either individually or in the aggregate, would not reasonably be expected to have a material impact on the Grantors' businesses. No claim or litigation regarding any of the foregoing is pending or, to the best knowledge of the Grantors, threatened.

(h) Indebtedness. As of the Closing Date, Schedule E sets forth (i) all of the Grantors' deposit accounts, (ii) all of the Grantors' securities accounts, (iii) all letters of credit issued for the benefit of the Grantors and (iv) all of the Grantors' Pledged Debt. As of the Closing Date, the Grantors have no tangible or electronic chattel paper.

(i) Collateral Covered by Certificates of Title. Except as set forth on Schedule G, as of the Closing Date, the Grantors do not own any Collateral subject to a certificate of title having a fair market value in excess of \$200,000.

(j) Financial or other Benefit or Advantage. Each Grantor hereby acknowledges and warrants that it has derived or expects to derive a financial or other benefit or advantage from the credit facilities extended to the Borrower under the Credit Agreement and from each and every renewal, extension, release of Collateral or other relinquishment of legal rights made or granted or to be made or granted by the Lender to the Borrower in connection with such credit facilities. Each Grantor acknowledges that the Borrower are not merely the agents, instrumentalities or alter egos of such Grantor (other than as to such Borrower), and that each Borrower is an independent and separate business entity, fully and adequately capitalized for its own business purposes.

(k) Advice of Counsel. Each Grantor has consulted with its attorneys regarding the terms and conditions and waivers set forth in this Agreement. Each Grantor's attorneys have advised such Grantor of the potential legal consequences of each waiver set forth in this Agreement, including the rights such Grantor would have in the absence of such waivers.

(l) Commercial Tort Claims. The only commercial tort claims of any Grantor with a value in excess of \$200,000 existing on the date hereof (regardless of whether the amount, defendant or other material facts can be determined and regardless of whether such commercial tort claim has been asserted, threatened or has otherwise been made known to the obligor thereof or whether litigation has been commenced for such claims) are those listed on Schedule E (as such Schedule may be updated from time to time to reflect changes resulting from transactions permitted under the Loan Documents), which sets forth such information separately for each Grantor.

Section 3.11. Grantor Covenants. In addition to the covenants set forth in the Credit Agreement that are applicable to such Grantor, which are hereby incorporated by reference to the extent such Grantor is not a party thereto, each Grantor covenants and agrees as follows:

(a) The Collateral will not be used in any way that will void or impair any insurance required under the Credit Agreement to be carried in connection therewith.

(b) Each Grantor will not (i) move its chief executive office except where five (5) Business Days' (or such later date as permitted by the Lender in its reasonable discretion) prior written notice is provided to the Lender, (ii) change its legal name, its place of incorporation, formation or organization (as applicable) or its organizational identification number for the state of its organization, from those specified in Schedule F, unless such Grantor delivers a five (5) Business Days' (or such later date as permitted by the Lender in its reasonable discretion) prior written notice to the Lender with respect to such actions; (iii) to the extent such Pledged Entity has opted into Article 8, permit any issuer of Pledged Collateral to issue any securities in uncertificated form or seek to convert all or any part of any Pledged Collateral into uncertificated form (as contemplated by Article 8 of the Uniform Commercial Code), and to the extent such Pledged Entity has not opted into Article 8, permit any issuer of Pledged Collateral to issue any securities in a certificated form other than to the applicable Grantor (which such Grantor agrees to promptly deliver to the Lender along with an undated transfer power executed in blank by an authorized officer of such Grantor), or (iv) permit any issuer of Pledged Collateral to issue any additional Capital Stock, membership interests, or partnership interests, or any other rights or options with respect thereto, as applicable, other than to a Grantor.

(c) Each Grantor agrees that, if such Grantor shall acquire any interest in any commercial tort claim (whether from another Person or because such commercial tort claim shall have come into existence) with a value in excess of \$200,000 concurrently with the delivery of the Covenant Compliance Certificate referred to in Section 8(e)(i) of the Revolving Credit Agreement (i) such Grantor shall deliver to the Lender, in each case in form and substance reasonably satisfactory to the Lender, an authenticated notice of the existence and nature of such commercial tort claim, and (ii) such Grantor shall execute and deliver to the Lender, in each case in form and substance satisfactory to the Lender, any document, and take all other action, deemed by the Lender to be reasonably necessary for the Lender to obtain a perfected security interest having at least the priority set forth in Section 3.10(b) in all such commercial tort claims.

(d) [Reserved].

(e) Each of Parent and Borrower shall, in accordance with Section 9(i) the

Credit Agreement, cause each of its Subsidiaries formed or acquired after the Closing Date to execute and deliver to the Agent, concurrently with the formation or acquisition thereof (or such longer period as the Lender may agree to in its reasonable discretion), a Joinder Agreement.

Section 3.12. Continuing Security Interest; Successors and Assigns. Subject to the release provisions of Section 5.06 hereof, this Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until payment in full in cash of the Obligations and the termination or expiration of the Commitment, (ii) be binding upon the Grantors and their respective successors and assigns and (iii) inure, together with the rights and remedies of the Lender hereunder, and its respective successors and permitted assigns, subject to the terms of the Credit Agreement. Subject to Section 17 of the Credit Agreement, the Lender may assign or otherwise transfer any Loans, Commitment, or any rights in Collateral held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Lender herein or otherwise. Nothing set forth herein or in any other Loan Document is intended or shall be construed to give to any other party any right, remedy or claim under, to or in respect of this Agreement or any other Loan Document or any Collateral. The Grantors' successors and assigns shall include, without limitation, a receiver, trustee or debtor in possession thereof or therefor, provided that, none of the rights or obligations of the Grantor hereunder may be assigned or otherwise transferred.

ARTICLE IV. REMEDIES

Section 4.01. Lender's Rights Regarding Collateral. At any time and from time to time, the Lender may, to the extent necessary to protect the Collateral, but the Lender shall not be obligated to, if an Event of Default has occurred and while such Event of Default is continuing, at the expense of the Grantors, perform any obligation of the Grantors under this Agreement. At any time and from time to time after an Event of Default has occurred and while such Event of Default is continuing, at the expense of the Grantors, the Lender may, to the extent necessary or desirable to protect the Collateral, but the Lender shall not be obligated to: (i) notify obligors on the Collateral that the Collateral has been assigned as security to the Lender; (ii) at any time and from time to time request from obligors on the Collateral, in the name of the Grantors or in the name of the Lender, information concerning the Collateral and the amounts owing thereon; and (iii) direct obligors under the contracts included in the Collateral to which each Grantor is a party to direct their performance to the Lender. The Lender shall not be under any duty or obligation whatsoever to take any action to preserve any rights of or against any prior or other parties in connection with the Collateral, to exercise any voting rights or managerial rights with respect to any Collateral or to make or give any presentments for payment, demands for performance, notices of non-performance, protests, notices of protest, notices of dishonor or notices of any other nature whatsoever in connection with the Collateral or the Obligations. The Lender shall not be under any duty or obligation whatsoever to take any action to protect or preserve the Collateral or any rights of the Grantors therein, or to make collections or enforce payment thereon, or to participate in any foreclosure or other proceeding in connection therewith. Nothing contained herein shall constitute an assumption by the Lender of any obligations of the Grantors under any contracts assigned hereunder unless the Lender shall have given written notice to the counterparty to such assigned contract of the Lender's intention to assume such contract. The Grantors shall continue to be liable for performance of its obligations under such contracts.

Nothing contained herein shall be construed to make the Lender liable as a stockholder of any corporation, member of any Pledged Entity or partner in any partnership with respect to which the Grantors have pledged its interests under this Agreement in Pledged Collateral, and the Lender by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall not have any of the duties, obligations or liabilities of a stockholder of any such corporation, member of any such Pledged Entity or partner in such partnership unless and until the Lender exercises its rights pursuant to Section 3.06. The parties hereto expressly agree that, unless the Lender shall become the owner of any Pledged Collateral pursuant to the terms in this Agreement, this Agreement shall not be construed as creating a partnership or joint venture among the Lender, any such corporation, any such Pledged Entity or any such partnership and/or the Grantors. Except as provided in the immediately preceding sentence, the Lender, by accepting this Agreement, does not intend to become a stockholder of any corporation, member of any Pledged Entity or partner in any partnership with respect to which the Grantors have pledged its interests in any Pledged Collateral, or otherwise be deemed to be a co-venturer with respect to the Grantors or any such corporation, Pledged Entity or partnership, either before or after an Event of Default shall have occurred.

Section 4.02. Collections on the Collateral. Except as provided to the contrary in the Credit Agreement, the Grantors shall have the right to use and to continue to make collections on and receive dividends and other proceeds of all of the Collateral in the ordinary course of business so long as no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, at the option of the Lender, the Grantors' right to make collections on and receive dividends and other proceeds of the Collateral and to use or dispose of such collections and proceeds shall terminate, and any and all dividends, proceeds and collections, including all partial or total prepayments, then held or thereafter received on or on account of the Collateral will be held or received by the Grantors in trust for the Lender and immediately delivered in kind to the Lender (duly endorsed to the Lender, if required), to be applied to the Obligations or held as Collateral, as the Lender shall elect. Upon the occurrence and during the continuance of an Event of Default, the Lender shall have the right at all times to receive, endorse, assign, deposit and deliver, in the name of the Lender or in the name of the Grantors, any and all checks, notes, drafts and other instruments for the payment of money constituting proceeds of or otherwise relating to the Collateral; and the Grantors hereby authorize the Lender to affix, by facsimile signature or otherwise, the general or special endorsement of the Grantors, in such manner as the Lender shall deem advisable, to any such instrument in the event the same has been delivered to or obtained by the Lender without appropriate endorsement, and the Lender and any collecting bank are hereby authorized to consider such endorsement to be a sufficient, valid and effective endorsement by the Grantors, to the same extent as though it were manually executed by the duly authorized representatives of the Grantors, regardless of by whom or under what circumstances or by what authority such endorsement actually is affixed, without duty of inquiry or responsibility as to such matters, and the Grantors hereby expressly waive demand, presentment, protest and notice of protest or dishonor and all other notices of every kind and nature with respect to any such instrument.

Section 4.03. Possession of Collateral by Lender. All the Collateral now, heretofore or hereafter delivered to the Lender shall be held by the Lender in its possession, custody and control. Any or all of the Collateral delivered to and held and maintained by the Lender constituting cash or Cash Equivalents shall, prior to the occurrence and continuance of any

Event of Default, upon written request of the Grantor, be held in an interest-bearing account with the Lender, and shall be invested in Cash Equivalents. Nothing herein shall obligate the Lender to obtain any particular return thereon. Upon the occurrence and during the continuance of an Event of Default, whenever any of the Collateral is in the Lender's possession, custody or control, the Lender may use, operate and consume the Collateral, whether for the purpose of preserving and/or protecting the Collateral, or for the purpose of performing any of the Grantors' obligations with respect thereto, or otherwise, and any or all of the Collateral delivered to the Lender constituting cash or Cash Equivalents shall be applied by the Lender to payment of the Obligations or held as Collateral, as the Lender shall elect. The Lender may at any time deliver or redeliver the Collateral or any part thereof to the Grantors, and the receipt of any of the same by the Grantors shall be complete and full acquittance for the Collateral so delivered, and the Lender thereafter shall be discharged from any liability or responsibility arising after such delivery to the Grantors. So long as the Lender exercises reasonable care with respect to any Collateral in its possession, custody or control, the Lender shall not have any liability for any loss of or damage to any Collateral, and in no event shall the Lender have liability for any diminution in value of the Collateral occasioned by economic or market conditions or events. The Lender shall be deemed to have exercised reasonable care within the meaning of the preceding sentence if the Collateral in the possession, custody or control of the Lender is accorded treatment substantially equal to that which the Lender accords similar property for its own account, it being understood that the Lender shall not have any responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not the Lender has or is deemed to have knowledge of such matters, or (ii) taking any necessary steps to preserve rights against any Person with respect to any Collateral.

Section 4.04. Remedies.

(a) Rights Upon Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Grantors shall be in default hereunder and the Lender shall have, in any jurisdiction where enforcement is sought, in addition to all other rights and remedies that the Lender may have under this Agreement and under applicable laws or in equity, all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any such jurisdiction in effect at that time, and in addition the following rights and remedies, all of which may be exercised with or without notice to the Grantors except such notice as may be specifically required by applicable law: (i) to foreclose the Liens created hereunder or under any other Loan Document by any available judicial procedure or without judicial process; (ii) to enter any premises where any Collateral may be located for the purpose of securing, protecting, inventorying, appraising, inspecting, repairing, preserving, storing, preparing, processing, taking possession of or removing the same; (iii) to sell, assign, lease or otherwise dispose of any Collateral or any part thereof, either at public or private sale or at any broker's board, in lot or in bulk, for cash, on credit or otherwise, with or without representations or warranties and upon such terms as shall be commercially reasonable; (iv) to notify obligors on the Collateral that the Collateral has been assigned to the Lender and that all payments thereon, or performance with respect thereto, are to be made directly and exclusively to the Lender; (v) to collect by legal proceedings or otherwise all dividends, distributions, interest, principal or other sums now or hereafter payable upon or on account of the Collateral; (vi) to enter into any extension, reorganization, disposition, merger or consolidation agreement, or any other agreement relating to or affecting the Collateral, and in connection therewith the Lender may deposit or surrender

control of the Collateral and/or accept other property in exchange for the Collateral as the Lender deems appropriate; (vii) to settle, compromise or release, on terms acceptable to the Lender, in whole or in part, any amounts owing on the Collateral and/or any disputes with respect thereto; (viii) to extend the time of payment, make allowances and adjustments and issue credits in connection with the Collateral in the name of the Lender or in the name of the Grantors; (ix) to enforce payment and prosecute any action or proceeding with respect to any or all of the Collateral and take or bring, in the name of the Lender or in the name of the Grantors, any and all steps, actions, suits or proceedings deemed necessary or desirable by the Lender to effect collection of or to realize upon the Collateral, including any judicial or nonjudicial foreclosure thereof or thereon, and the Grantors specifically consent to any nonjudicial foreclosure of any or all of the Collateral or any other action taken by the Lender which may release any obligor from personal liability on any of the Collateral, and any money or other property received by the Lender in exchange for or on account of the Collateral, whether representing collections or proceeds of Collateral, and whether resulting from voluntary payments or foreclosure proceedings or other legal action taken by the Lender or the Grantor may be applied by the Lender, without notice to the Grantors, to the Obligations in such order and manner as the Lender in its sole discretion shall determine; (x) to insure, protect and preserve the Collateral; (xi) to exercise all rights, remedies, powers or privileges provided under any of the other Loan Documents; and (xii) to remove, from any premises where the same may be located, the Collateral and any and all documents, instruments, files and records, and any receptacles and cabinets containing the same, relating to the Collateral, and the Lender may, at the cost and expense of the Grantors, use such of its supplies, equipment, facilities and space at its places of business as may be necessary or appropriate to properly administer, process, store, control, prepare for sale or disposition and/or sell or dispose of the Collateral or to properly administer and control the handling of collections and realizations thereon, and the Lender shall be deemed to have a rent-free tenancy of any premises of any Grantor for such purposes and for such periods of time as reasonably required by the Lender. The Grantors will, at the Lender's request after the occurrence and during the continuance of an Event of Default, assemble the Collateral and make it available to the Lender at places which the Lender may designate, whether at the premises of any Grantor or elsewhere, and will make available to the Lender, free of cost, all premises, equipment and facilities of any Grantor for the purpose of the Lender's taking possession of the Collateral or storing the same or removing or putting the Collateral in salable form or selling or disposing of the same. The Lender has no obligation to clean-up or otherwise prepare the Collateral for sale.

(b) Possession by Lender. Upon the occurrence and during the continuance of an Event of Default, the Lender also shall have the right, without notice or demand, either in person, by agent or by a receiver to be appointed by a court in accordance with the provisions of applicable law (and the Grantors hereby expressly consent, to the fullest extent permitted by applicable law, upon the occurrence and during the continuance of an Event of Default to the appointment of such a receiver), and, to the extent permitted by applicable law, without regard to the adequacy of any security for the Obligations, to operate the business of the Grantors, by, inter alia, taking possession of the Collateral or any part thereof and to collect and receive the rents, issues, profits, income and proceeds thereof, pending the exercise of any and all other rights and remedies available to the Lender under this Agreement and/or at law or in equity. The operation of the Grantors' business and the taking possession of the Collateral by the Lender shall not cure or waive any Event of Default or notice thereof or invalidate any act done pursuant to such notice.

The rights, remedies and powers of any receiver appointed by a court shall be as ordered by said court.

(c) Sale of Collateral. Upon the occurrence and during the continuance of an Event of Default, any public or private sale or other disposition of the Collateral may be held at any office of the Lender, or at any Grantor's place of business, or at any other place permitted by applicable law, and without the necessity of the Collateral's being within the view of prospective purchasers. The Lender may direct the order and manner of sale of the Collateral, or portions thereof, as it in its sole and absolute discretion may determine, provided such sale is commercially reasonable, and the Grantors expressly waive, to the extent permitted by applicable law, any right to direct the order and manner of sale of any Collateral. The Lender or any Person acting on the Lender's behalf may bid and purchase at any such sale or other disposition. In addition to the other rights of the Lender hereunder, the Grantors hereby grant to the Lender a license or other right to use, without charge, but only after the occurrence and during the continuance of an Event of Default, the Grantors' labels, copyrights, patents, rights of use of any name, trade names, trademarks and advertising matter, or any property of a similar nature, including the Copyrights, the Patents and the Marks set forth on Schedule B, in advertising for sale and selling any Collateral. The Lender may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and such compliance will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral.

(d) Notice of Sale. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Lender will give the Grantors reasonable notice of the time and place of any public sale thereof or of the time and place on or after which any private sale thereof is to be made. The requirement of reasonable notice conclusively shall be met if such notice is mailed, certified mail, postage prepaid, to the Grantors at the address set forth in the Credit Agreement, on the signature pages hereto, or on the signature page of any Joinder Agreement, or delivered or otherwise sent to the Grantors, at least ten (10) days before the date of the sale. The Grantors expressly waive, to the fullest extent permitted by applicable law, any right to receive notice of any public or private sale of any Collateral or other security for the Obligations except as expressly provided for in this paragraph. The Lender shall not be obligated to make any sale of the Collateral if it shall determine not to do so regardless of the fact that notice of sale of the Collateral may have been given. The Lender may, without notice or publication, except as required by applicable law, adjourn the sale from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice (except as required by applicable law), be made at the time and place to which the same was so adjourned.

(e) Private Sales. To the extent permitted by any Requirement of Law, with respect to any Collateral consisting of securities, partnership interests, membership interests, joint venture interests or the like, and whether or not any of such Collateral has been effectively registered under the Securities Act of 1933, as amended, or other applicable laws, the Lender may, in its sole and absolute discretion, upon the occurrence and during the continuance of an Event of Default, sell all or any part of such Collateral at private sale in such manner and under such circumstances as the Lender may deem necessary or advisable in order that the sale may be lawfully conducted in a commercially reasonable manner. Without limiting the foregoing, the Lender may (i) approach and negotiate with a limited number of potential purchasers, and (ii)

restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing such Collateral for their own account for investment and not with a view to the distribution or resale thereof. In the event that any such Collateral is sold at private sale, the Grantors agree to the extent permitted by applicable law that if such Collateral is sold for a price which is commercially reasonable, then (A) the Grantors shall not be entitled to a credit against the Obligations in an amount in excess of the purchase price, and (B) the Lender shall not incur any liability or responsibility to the Grantors in connection therewith, notwithstanding the possibility that a substantially higher price might have been realized at a public sale. The Grantors recognize that a ready market may not exist for such Collateral if it is not regularly traded on a recognized securities exchange, and that a sale by the Lender of any such Collateral for an amount less than a pro rata share of the fair market value of the issuer's assets minus liabilities may be commercially reasonable in view of the difficulties that may be encountered in attempting to sell a large amount of such Collateral or Collateral that is privately traded.

(f) Title of Purchasers. Upon consummation of any sale of Collateral in accordance the terms hereof, the Lender shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the Collateral so sold absolutely free from any claim or right upon the part of the Grantors or any other Person claiming through the Grantors, and the Grantors hereby waive (to the extent permitted by applicable law) all rights of redemption, stay and appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. If the sale of all or any part of the Collateral is made on credit or for future delivery, the Lender shall not be required to apply any portion of the sale price to the Obligations until such amount actually is received by the Lender, and any Collateral so sold may be retained by the Lender until the sale price is paid in full by the purchaser or purchasers thereof. The Lender shall not incur any liability in case any such purchaser or purchasers shall fail to pay for the Collateral so sold, and, in case of any such failure, the Collateral may be sold again.

(g) Disposition of Proceeds of Sale. The proceeds resulting from the collection, liquidation, sale or other disposition of the Collateral shall be applied as determined by the Lender.

(h) Certain Waivers. To the extent permitted by applicable law, the Grantors waive all claims, damages and demands against the Lender arising out of the repossession, retention or sale of the Collateral, or any part or parts thereof, except to the extent any such claims, damages and awards arise out of the gross negligence or willful misconduct of the Lender or such action was not taken in accordance with this Agreement.

(i) Remedies Cumulative. The rights and remedies provided under this Agreement are cumulative and may be exercised singly or concurrently, and are not exclusive of any other rights and remedies provided by law or equity.

(j) Deficiency. If the proceeds of sale, collection or other realization of or upon the Collateral pursuant to this Section 4.04 are insufficient to cover the costs and expenses of such realization and the payment in full of the Obligations, the Grantors shall remain liable for any deficiency.

Section 4.05. Lender Appointed Attorney-in-Fact. The Grantors hereby irrevocably appoint (until the payment in full of all Obligations and Guaranteed Obligations and the termination of this Agreement in accordance with its terms or the release of such Grantor from its obligations under Section 5.06 hereunder) the Lender as the Grantors' attorney-in-fact, effective upon the occurrence and during the continuance of an Event of Default, with full authority in the place and stead of each Grantor, and in the name of each Grantor, or otherwise, from time to time, in the Lender's sole and absolute discretion to do any of the following acts or things: (a) to do all acts and things and to execute all documents necessary or advisable to perfect and continue perfected the security interests created by this Agreement and to preserve, maintain and protect the Collateral; (b) to do any and every act which the Grantors are obligated to do under this Agreement; (c) to prepare, sign, file and record, in the Grantors' name, any financing statement covering the Collateral; (d) to endorse and transfer the Collateral upon foreclosure by the Lender; (e) to grant or issue an exclusive or nonexclusive license under the Copyrights, the Patents or the Marks set forth on Schedule B to anyone upon foreclosure by the Lender; (f) to assign, pledge, convey or otherwise transfer title in or dispose of the Copyrights, the Patents or the Marks set forth on Schedule B to anyone upon foreclosure by the Lender; and (g) to file any claims or take any action or institute any proceedings which the Lender may reasonably deem necessary or desirable for the protection or enforcement of any of the rights of the Lender with respect to any of the Copyrights, the Patents and the Marks set forth on Schedule B; provided, however, that the Lender shall be under no obligation whatsoever to take any of the foregoing actions, and the Lender shall not have any liability or responsibility for any act or omission taken with respect thereto.

ARTICLE V. MISCELLANEOUS

Section 5.01. Costs and Expenses. The Grantors agree to pay, or reimburse, to the Lender for all costs and expenses incurred in accordance with Section 16 of the Credit Agreement. The agreement in this Section shall survive the termination of this Agreement.

Section 5.02. Understandings With Respect to Waivers and Consents. The Grantors represent, warrant and agree that each of the waivers and consents set forth herein are made with full knowledge of their significance and consequences, with the understanding that events giving rise to any defense or right waived may diminish, destroy or otherwise adversely affect rights which the Grantors otherwise may have against the Lender or others, or against any Collateral. If any of the waivers or consents herein are determined to be unenforceable under applicable law, such waivers and consents shall be effective to the maximum extent permitted by law.

Section 5.03. Indemnity. The Grantors hereby indemnify the Lender from and against any and all claims, losses and liabilities resulting from this Agreement in accordance with Section 16 of the Credit Agreement.

Section 5.04. Amendments, Etc. No amendment or waiver of any provision of this Agreement nor consent to any departure by the Grantors herefrom (other than supplements to the Schedules hereto in accordance with the terms of this Agreement) shall in any event be effective unless the same shall be in writing and made in accordance with Section 12 of the Credit

Agreement, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. References to Schedules in this Agreement shall include all supplements to such Schedules delivered by the Grantors to the Lender in accordance with the terms of this Agreement.

Section 5.05. Notices. All notices and other communications provided for hereunder shall be given in the manner, and to the respective addresses, set forth in Section 14 of the Credit Agreement; provided that all notices and other communications to any Grantor (other than the Borrower) shall be made to such Grantor at the address set forth below such Grantor's signature page hereto or below such Grantor's signature page in any Joinder Agreement.

Section 5.06. Release of a Grantor.

(a) This Agreement and all obligations of the Grantors hereunder and all security interests granted hereby shall be released and terminated when all Guaranteed Obligations have been Paid in Full. Upon such release and termination, the Lender shall return any Pledged Collateral in its possession to the Grantors, or to the Person or Persons legally entitled thereto, and shall endorse, execute, deliver, record and file all instruments and documents, and do all other acts and things, reasonably requested by the Grantors for the return of the Collateral to the Grantors, or to the Person or Persons legally entitled thereto, and to evidence or document the release of the security interests of the Lender arising under this Agreement, all as reasonably requested by, and at the sole expense of, the Grantors.

(b) The Lender agrees that if an Asset Disposition permitted under the Credit Agreement occurs with respect to any Collateral, the Lender shall release such Collateral that is the subject of such Asset Disposition to the Grantors free and clear of the Lien under this Agreement; provided that, unless the Guaranteed Obligations have been Paid in Full, the Lender shall have no obligation to make such release until arrangements reasonably satisfactory to it have been made for delivery to it of any net proceeds of any Asset Disposition.

Section 5.07. Complete Agreement. This Agreement, together with all other Loan Documents to which each Grantor is party, supersedes any prior negotiations, discussions or communications among the Grantors and the Lender and constitutes the entire agreement between the Lender, on the one hand, and the Grantors on the other hand, with respect to the Obligations and the Guaranteed Obligations.

Section 5.08. Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York without regard to conflict of laws principles thereof.

Section 5.09. Consent to Jurisdiction. Each Grantor irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Lender in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in the County and City of New York, and of the United States District Court for the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and

unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction. Each Grantor irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to herein. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 5.05 hereof. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

Section 5.10. Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 5.11. Acknowledgements. Each of the Grantors party hereto, hereby acknowledge that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) the Lender does not have any fiduciary relationship to any Loan Party solely by virtue of any of the Loan Documents, and the relationship pursuant to the Loan Documents between the Lender on the one hand and the Loan Parties on the other hand, is solely that of creditor and debtor; and

(c) no joint venture exists among the Loan Parties and the Lender.

Section 5.12. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 5.13. Intercreditor Agreement. The terms of Section 22 of the Credit Agreement are hereby incorporated herein by reference, mutatis mutandis, with the same force and effect as if fully set forth herein, and the parties hereto agree to such terms.
