ASSIGNMENT

This Assignment is made by me, Rosemary Waisak, the managing member of StoneHusk, LLC, a Limited Liability Company organized under the laws of the State of North Carolina, and having a street address of 7007 Eschol Court, City of Wilmington, County of New Hanover, State of North Carolina, and Zip Code of 28409, hereinafter referred to as "Assignor".

WITNESSETH: That:

WHEREAS, StoneHusk, LLC is the owner of certain new and useful improvements in a SCREW TOP VESSEL CLOSURE for which I have made a design patent application with the United States Patent and Trademark Office, Application Serial Number 29/648,634 filed 05/23/2018 which issued on 09/21/2021 as Patent D931,009; and

WHEREAS, StoneHusk, LLC is the owner of certain new and useful improvements in a CLOSURE DEVICE FOR A SCREW TOP VESSEL for which I have made a utility patent application with the United States Patent and Trademark Office, Application Serial Number 16/043,812 filed 07/24/2018 which issued on 03/10/2020 as Patent 10/583,965; and

WHEREAS, Dennis Waisak and Rosemary Waisak, individuals having a street address of 7007 Eschol Court, City of Wilmington, County of New Hanover, State of North Carolina, and Zip Code of 28409, hereinafter referred to as "Assignees" are desirous of acquiring the entire right, title and interest in and to said Patents, and any and all Patents which shall be granted related thereto;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over, and agree to sell, assign, transfer and set over unto the said Assignees, their successors and assigns, the entire right, title and interest in and to the above-mentioned patents and inventions and in and to any and all Patents which may hereafter be granted therefor, and in any and to any and all utility, continuations, continuations-

in-part, substitutions, divisions or reissues of said Patents, the same to be held and enjoyed by the said Assignees, for its interest, and for their own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Patents may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignees, its successors and assigns, that at the time of the execution and delivery of these presents I am the lawful owner of the entire right, title and interest in and to the inventions, applications and Patents above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignees, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said applications, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Patents for said invention, or for the reissue of the same without charge to our said Assignees, its successors or assigns, but at its or their expense.

I hereby request the Commissioner for Patents to issue the Patents in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said Assignees, its successors, assigns or nominee, the entire right, title and interest in and to any and all Patents for said invention which may be granted in countries foreign to the United States and in and to any applications for Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said applications; and I hereby authorize and

empower the said Assignees, its successors, assigns or nominees to apply for Patents or other form of protection on said invention in its own name or in the name of its successor, Assignees, or nominee, in any and all countries where it may desire to file such applications and where said applications may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for procurement of Patents, or other form of protection, for said inventions or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignees, its successors, assignees, or nominee, without charge to our said Assignees, its successor, assignees or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date indicated below.
