**CONFIRMATORY ASSIGNMENT AND DECLARATION**

WHEREAS, Ian Waller ("Inventor"), citizen of the United Kingdom, invented a new, original, and ornamental design as described or intended to be described and set forth in the following United States Design Patent Application ("Application"), filed on the date indicated:

<u>Serial No.</u>	<u>Title</u>	<u>Filing Date</u>
29/698,355	BAG (SOFT BACKPACK) - SHOW MEN	July 16, 2019

An Appendix comprising a representative image of the design and invention disclosed in the above Application is appended hereto.

**DECLARATION**

I hereby declare that my residence, mailing address and citizenship is as stated below next to my name; I believe that I am the original inventor of the claimed invention for which a patent is sought in the above referenced Application, the Application of which was made or was authorized to be made by me. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

**ASSIGNMENT**

WHEREAS, LOUIS VUITTON MALLETIER ("Assignee"), a Société par Actions Simplifiée operating and existing under the laws of France, having a place of business at 2, rue du Pont-Neuf, 75001 Paris, France, is desirous of acquiring the entire right, title, and interest in and to said invention, said Application, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof:

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Inventor hereby sells, assigns, transfers and sets over, unto the Assignee, its successors and assigns, the entire right, title and interest in and to said Application, all inventions therein, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all Inventor's foreign rights to said inventions and application(s), and all Inventor's rights under International Conventions in respect to said inventions and application(s). And Inventor hereby agrees to communicate to the Assignee or its representatives any facts known to Inventor respecting said inventions and improvements, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and, in addition, execute any and all documents that may be required in order that the Assignee may make applications for Letters Patent on said inventions in foreign countries in its own name. And Inventor does hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said inventions or application(s) unto the Assignee, its successors and assigns, in accordance with this assignment.
