Section 4 – General

[REDACTED]

Each promise in this agreement is a separate commitment made by you. If any promise made by you is found by a court to be invalid, that promise will be removed from this agreement, but your other promises won't be affected. If at some point Shopify does not enforce one of your promises, that won't prevent Shopify from enforcing that promise at some later time. Your promises in this agreement will continue after the end of the Project for any reason. This agreement can only be modified by another written document signed by both you and Shopify. This agreement is governed by the laws of the Province of Ontario and the laws of Canada applicable in Ontario. You agree that if you have any disputes with Shopify, those disputes will be dealt with in the Ontario courts.

DATED at the City of Seattle, State of Washington, this 30th day of November, 2020.
