COMBINED DECLARATION AND GLOBAL ASSIGNMENT

As a below named inventor, I hereby declare that:

This declaration and assignment are directed to:

INSTALLING TRIM IN A VALVE ASSEMBLY

- the specification of which is attached hereto OR
 United States application or PCT international application number _____, as amended on [date] (if applicable).

(I hereby authorize and request the Company or its delegated attorneys or agents to insert above the application number and filing date of the application when known.)

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 USC § 1001 by fine or imprisonment of not more than five (5) years, or both.

I have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the patentability of this application as defined in 37 CFR § 1.56, including, for continuation-in-part applications, material information which became available between the filing date of the prior application and the filing date of the continuation-in-part application.

In accordance with my obligation(s) under an employment agreement such as an Employee Confidentiality and Innovation Agreement (ECIA), an Employee Innovation and Proprietary Information Agreement (EIPIA) or an Employee Confidentiality and Intellectual Property Agreement, or (as applicable) arising out of other agreements, and/or for other good and valuable consideration of which I acknowledge receipt, I, as a below named inventor,

Inventor First Name	Inventor Middle Name	Inventor Last Name		Residence Town	Residence State	Residence Country
Justin	Walter	Betley	of	Raytham	MA	US
Peter	David	Gosselin	of	Weymouth	MA	US
Timothy	Daniel	Rogers-Hehr	of	Jacksonville	FL	US
Vigneshwar	Shaliwan	Wali	of	Jacksonville	FL	US

hereby sell and assign to:

Name of Company: Dresser, LLC
Address: 4425 Westway Park Blvd. Houston, TX 77041

herein referred to as "Company", its successors and assigns my entire rights, titles and interests in and to the invention and improvements made or conceived by me described in the application(s) listed above and in the following table:

Country of Filing	Patent Application Number	Filing Date	Title

(I hereby authorize and request the Company or its delegated attorneys or agents to insert above the application number and filing date of the application(s) when known.)

and any and all applications for patent and patents therefrom in any and all countries, including all divisionals, continuations, continuations-in-part, reexaminations, renewals, and reissues thereof, and all rights of priority resulting from the filing of the application(s), and authorize and request any official whose duty it is to issue patents, to issue any patent on the inventions and improvements resulting therefrom to the Company, or its successors or assigns, and agree that on request and without further consideration, I will communicate to the Company or its representatives or nominees any facts known to me respecting the inventions and improvements and testify in any legal proceeding, make all rightful oaths, sign all lawful papers and execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights in all countries including, but not limited to, any provisional, non-provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, for any derivation proceedings relating thereto, and, as to any patents that issue from such applications, for any supplemental examination, derivation proceeding, opposition, post grant review, reissue, re-examination, inter partes review, or extension thereof, and generally do everything possible to aid the Company, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and its improvements in all countries.

Remuneration claims of the inventor/assignor potentially arising from German Law on Employee Inventions, or any other respective country law, remain unaffected by this assignment.
