ASSIGNMENT OF PROVISIONAL APPLICATION

Whereas I/we, the below named inventor(s), have made an invention in

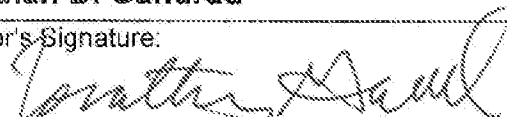

Activity-Based Rules for Compliance Detection Using Body-Worn Offender Monitoring
Electronic Devices

- and have contemporaneously executed a provisional application based thereon;
- for which a provisional application was filed on 16-JUN-2017, as Application No.:
62/520615;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I/we have individually or jointly agreed to assign and transfer and do hereby assign and transfer unto the 3M INNOVATIVE PROPERTIES COMPANY, a wholly owned subsidiary of 3M COMPANY, and a corporation of Delaware, having its principal office at Saint Paul, Minnesota, its successors and assigns, the entire right, title, and interest in and to the said invention and provisional application, and in and to any divisional or continuation (in whole or in part) of said application, and in and to any application claiming benefit thereto and to any and all improvements in the said invention made by me/us or any of us or made jointly with others (provided any such improvement is made during, or within one year after the termination of, the employment with 3M Company and any of its existing or future subsidiaries of whichever of us, solely or jointly with one or more others, has made the same), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon the said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me/us or any of us had this assignment and transfer not been made,

I/We do further agree for myself/ourselves and for my/our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I/we lawfully may, that may be deemed necessary by said Company, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries; and

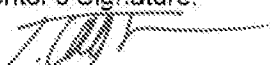

I/We do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the applications claiming the benefit of said provisional application, to the said 3M Innovative Properties Company, as the assignee of the entire right, title, and interest therein.
