EXHIBIT A

ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned, THE MEDICAL RESEARCH, INFRASTRUCTURE AND HEALTH SERVICES FUND OF THE TEL-AVIV MEDICAL CENTER, an Israeli company located at 6 Weizmann Street, Tel Aviv, 64239 Israel ("ASSIGNOR") hereby sells, assigns, transfers, and conveys to Gad Keren ("Assignee"), residing at 11 Simcha Holzberg Street, Kiryat Ono, 55022 Israel, his successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all inventions which are disclosed and claimed, and as possessed by the undersigned, any and all inventions which are disclosed but not claimed in the application for PCT International Patent Application No. PCT/IB2014/059435 filed on March 4, 2014, US Provisional Patent Application 61/772,212 filed March 4, 2013, from which the International Patent Application claims priority, U.S. Patent No. 11,065,118, and U.S. Patent Application Serial No. 14/772,394 from which the U.S. Patent issued and in and to said applications and patent and all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said applications and patent; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions.

Authorize and request the Commissioner of Patents of the United States to issue to said Assignee, his successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said applications and patent;

Agree that said Assignee may apply for and receive United States non-provisional patents and/or foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for United States non-provisional patents and/or said foreign Letters Patent or other rights, the priority of the aforesaid United States provisional patent application under the United States Law and/or provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of,

said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the under-signed or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all United States non-provisional patents, divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

**COVENANT** with said Assignee, his successors, assigns and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
