**Assignment of Rights, Title and Interest in Invention
and Declaration of Invention**

Docket No.:42527US01

As the below named inventor(s), I/we declare that this document is an Assignment of the rights, title and interest and a Declaration of Invention directed to:

- Rights, title and interest in the invention including United States applications and patents*
- United States Provisional Patent Application Serial No. 63/039,781 filed June 16, 2020 and _____ filed _____*
- United States Utility Patent Application Serial No. 17/338,104 filed June 3, 2021
United States Patent No(s). _____*
- Foreign rights, title and interest in the invention including international applications and patents*
- International (PCT) Patent Application Serial No _____ filed _____*
- Other (specify) _____*
- This declaration is directed to the international application of which it forms a part*
- This declaration is directed to the United States Application submitted herewith*

Direct all correspondence to the address associated with Customer No.: 28841

Title of the Invention

TESTING H2S SCAVENGERS POLYMERIZATION FACTORS

Whereas, I/we, the below-identified Inventor(s), have invented certain new and useful improvements in the Invention identified above and described in the above-identified patent application(s) and/or patent(s) (hereinafter referred to as "Invention").

The above-identified application was made or authorized to be made by me.

I/we believe that I/we are the original inventor(s) of the claimed invention in the application.

I hereby declare that my residence, mailing address, and citizenship are as stated next to my name.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application date and any subsequent application.

I hereby state that I have reviewed and understand the contents of the above-identified application, including the claims of said application and if applicable any amendment specifically referred to above.

I have reviewed any claim to priority, and I have identified above any prior application number with day, month and year of filing, including any international applications.

If applicable, I have identified in the request of any international application, in compliance with PCT Rule 4.10, any claim to foreign priority,

I/we desire to assign my/our above-identified rights, title and interest in the Invention to the Assignee;

Therefore, for valuable consideration, the receipt of which is acknowledged, I/we hereby assign, sell and transfer my/our above-identified rights, title and interest in said Invention, said

**Assignment of Rights, Title and Interest in Invention
and Declaration of Invention**

Docket No.:42527US01

I/we hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
