ASSIGNMENT AGREEMENT

On the date shown below, and for good and valuable consideration the receipt of which I acknowledge, I made the following assignment and promises to F & F Composite Group, Inc. ("Assignee"), a Texas corporation, having a principal place of business at 5800 Egg Farm Road, Keller, Texas 76248, in connection with my invention of a new, original, TEMPORARY FENCE ASSEMBLY ("the Invention").

1. I assign, transfer, and convey to Assignee the entire right, title and interest in and to
 - (a) the Invention;
 - (b) the application for United States Letters Patent Serial No. 17/451,595 filed on October 20, 2021, which is a continuation in part application from application No. 16/261,124, filed January 29, 2019 that claims priority from provisional application No. 62/623,135, filed January 29, 2018 (I hereby authorize insertion of the serial number and filing date upon filing of this application);
 - (c) any Letters Patent issued pursuant to, or as a result of, any application referenced above;
 - (d) all applications for Letters Patent, or similar legal protection, which may be filed in any country or countries foreign to the United States with respect to the Invention.
 - (e) all Letters Patent which may be granted for the Invention in any country or countries foreign to the United States; and
 - (f) all extensions, renewals, reissues, divisions, continuations and continuations-in-part (or their legal equivalents) of any applications or Letters Patent referred to above.
2. I authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications, to issue to Assignee all Letters Patent or similar legal protection for the Invention or improvements.
3. I agree that, upon the request of Assignee, I will
 - (a) execute any and all divisional, continuation and renewal applications for the Invention or improvements;
 - (b) execute any supplemental oath relating to the Invention or improvements;
 - (c) execute any application for reissue or extension of any Letters Patent that may be granted upon the application;
 - (d) cooperate to the best of my ability in connection with any derivation proceeding or post issuance proceeding relating to the application referenced herein or any patent issuing therefrom;

(e) perform any and all affirmative acts to obtain Letters Patent and vest all right in such Letters Patent in Assignee; and

(f) perform such additional acts as Assignee may deem necessary or expedient in connection with any of the matters stated above.

4. I covenant and warrant that as of the effective date of this Assignment Agreement, I am the true and lawful owner of the entire right, title, and interest in the Invention, application for Letters Patent, and any Letters Patent which may issue under said application, and have the full right and power to convey the same; that the same are free and clear of all liens, charges and encumbrances whatsoever; and that I have not executed and will not execute any agreement in conflict with this Assignment Agreement.

5. This Assignment Agreement is binding upon, shall inure to the benefit of, and shall be performed by the parties named, their heirs, administrators, legal representatives, successors and assigns.

6. This Assignment of patent rights in the Invention is effective as of the date of conception of the Invention.
