Invention Declaration

I/we undersigned:

Name ¹⁾	Country of residence	Employee ID	Company (if NOT CRF)
1. GINNO Patrice	FR	1594	
2. GISQUET Christophe	FR	1678	
3. LAROCHE Guillaume	FR	1729	
4. TAQUET Jonathan	FR	1766	

¹⁾ The first inventor is in charge of providing the detailed description of the invention.

hereby declare the following invention, for which a summary is provided in the "Invention summary" section attached:

N°	Title (in English)	Research notebook (n° and pages)
CRF-1895	Implementation improvement of the LM mode using a straight line.	CDROM 49

Assignment of the invention

I/we hereby explicitly acknowledge that Canon Research Centre France SAS (CRF) has the full and total ownership, both in France and worldwide, as well as priority right according to the Paris convention, of the declared invention which has been performed during my/our inventive mission, either as part of my effective function at CRF or during studies or research explicitly assigned to me/us by CRF.

The declared invention may give rise to intellectual property rights relating to its carrying out and/or development, which may be covered in particular by patents (including but not limited to French patent, GB patent, European patent, US patent, Japanese patent), designs models, maskworks, trademarks, programs, software, trade secret, know how and all creations of mind that are covered by Article L. 112-2 of the French Intellectual Property Code. I/we hereby assign to CRF all right, title and interest in and to such creations and innovations.

I/we hereby recognize and unconditionally agree that CRF is able to substitute any legal entity in the property of the creations and innovations mentioned in the paragraph above, as well as for priority right according to the Paris convention. The beneficiary of this substitution will have the entire property and use of the intellectual and industrial property rights.

In case the declared invention is to be protected by an intellectual property title by CRF, I/we hereby undertake to fulfil any and all formalities, to take any and all steps and to sign and have signed any and all necessary or desirable deeds, documents or specific powers, with a view to enable CRF or any substitute legal entity to acquire regular proprietorship in the above mentioned intellectual and industrial property rights in France and foreign countries and to officially record such rights in the national or regional patent registers, when necessary.
