2. Cooperation. At Assignee's sole cost and expense, Assignor shall execute and deliver such other documents and take all other commercially reasonable actions which Assignee, its successors and/or assigns, may reasonably request to effect the terms of this Assignment, including its recordation in relevant state and national patent offices.
3. Due Authorization. Assignor hereby authorizes and requests the Commissioner of Patents of the United States and any other official of any applicable governmental authority to (a) record Assignee as assignee and owner of the entire right, title and interest in and to the Assigned IP and (b) issue any and all registrations from any and all applications for registration included in the Assigned IP to and in the name of Assignee.
