ASSIGNMENT

Whereas, we, Jeffrey Daniel Schmitt of 23 Vance Crescent, Asheville, North Carolina 28806; Gary Maurice Dull of 6025 Shallowford Road, Lewisville, North Carolina 27023; and Craig Harrison Miller of 1564 Sharon Road, Winston-Salem, North Carolina 27106 have invented a new and useful Improvement in ARYLVINYLAZACYCLOALKANE COMPOUNDS AND METHODS OF PREPARATION AND USE THEREOF,

for which a nonprovisional application for United States Letters Patent was filed on January 5, 2009 and assigned Serial No. 12/348,605, claiming priority to non-provisional application filed on August 17, 2005 and assigned Serial No. 11/206,243, claiming priority to non-provisional application filed on March 5, 2003 and assigned Serial No. 10/379,868, now U.S. Pat. No. 7,098,331.

Now, THEREFORE, in return for good and valuable consideration paid to us by Targacept, Inc. (Targacept), a corporation organized under the laws of the State of Delaware, having a principal place of business at 200 East First Street, Suite 300, Winston Salem, North Carolina 27101, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, we do hereby assign, sell, and transfer unto Targacept, its successors and assigns, our entire right, title, and interest in the invention and applications (including all inventions disclosed therein) for the United States and all countries foreign thereto, and any Letters Patent which may issue therefor in the United States and patents or utility models in all countries foreign thereto and all divisions, reissues, continuations, and extensions thereof, including the right to claim the benefits of any priority rights. We request the Commissioner of Patents and Trademarks of the United States, and any official of a country foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue Letters Patent in accordance herewith.

As joint inventors, we covenant that we are lawful owners of the invention and application above mentioned, that our ownership is unencumbered, that we have granted no license to make, use, or sell the invention, and that we have the full right to make this assignment, and agree that we will communicate to Targacept or its representatives any facts known to us respecting the invention, and will, upon request, testify in any interference

proceeding, execute all further instruments, including but not limited to provisional, divisional, continuing, reissue, or reexamination applications or instruments, make all rightful oaths or declarations, and generally do everything which in the opinion of Targacept or its representatives may be reasonably required to aid Targacept to obtain full protection for the invention.
