ASSIGNMENT

WHEREAS, Frances BARBARO ALTIERI, having an address of 119 Juniper Road, Belmont, MA 02478, ("Assignor"), owns and holds all right, title and interest in, to and under the inventions as set forth in the attached Schedule A; and

WHEREAS, QUANTUM IMAGING LLC, having an address of 5830 E 2nd Street, Suite 7000, #4230, Casper, WY 82609, ("Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignors do hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors and assigns, the entire right, title and interest in and to said invention, including the full right to claim for any such invention all benefits and priority rights under any applicable convention and the right to sue for past or future infringement, as set forth in the patents referenced on Schedule A, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may have or may be issued for said inventions;

UPON SAID CONSIDERATION, hereby agree with the said Assignee that Assignors will not execute any writing or do any act whatsoever conflicting with this sale, assignment or transfer, and that Assignors will, at any time upon request, without further or additional consideration but at the expense of said Assignee, assist Assignee in every way to obtain and execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to enforce patents, copyrights, and other rights or registrations on this invention, in order to perfect the Assignee's enjoyment of this grant, and to render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such patents, by giving testimony in any proceedings or transactions involving such patents, and by executing preliminary statements, declarations, and other affidavits, it being understood that the foregoing covenant and agreement shall bind Assignors, their legal representatives, successors and assigns, and inure to the benefit of said Assignee, its legal representatives, successors and assigns;

WHEREAS, if the Assignee is unable for any reason whatsoever to secure the Assignor's signature to any document it is entitled to under this Assignment, Assignor hereby irrevocably designates and appoints the Assignor and its duly authorized officers and agents, as Assignee's agents and attorneys-in-fact with full power of substitution to act for and on its behalf and instead of Assignor, to execute and file any such papers and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor;

The undersigned hereby grants the firm of EDWARDS NEILS LLC the power to insert on this Assignment any further identification, including the application numbers and filing dates, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

AND, Assignor authorizes and requests the Commissioner of Patents and Trademarks and any official of any foreign country whose duty it is to issue patents for said inventions to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patents and the inventions covered thereby.

Date: 11/3/2021

Frances BARBARO ALTIERI

(NOTE: Legalization is not required for recording, but is *prima facie* evidence of execution under 35 U.S.C. 261).
