ASSIGNMENT

WHEREAS, Joseph Ermalovich, a resident of Santa Barbara, California, and Carli Hill, a resident of Oxnard, California, United States of America herein after referred to as the "Assignors" has invented certain new and useful improvements as described and set forth in an application for Letters Patent of the United States entitled **COVERS FOR ADJUSTABLE LENGTH BED LEGS MOUNTING** having serial no. XX/XXX,XXX filed on 08/23/2021 and relying on the priority of provisional application serial no. 63/069,847 filed on 08/25/2020;

WHEREAS, Ergomotion, Inc. a corporation of the State of California, having a place of business at 6790 Navigator Way, Goleta, California 93117 hereinafter referred to as "Assignee", desires to acquire the Assignors entire interest in and to said application, said inventions, said improvements, and any and all Letters Patent which may be granted for any patent application relying on the priority thereof in the United States or any foreign country;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged by Assignors,

1. Assignors hereby sell, assign, transfer and convey to Assignee his entire interest in and to said provisional application, said application, any application relying on the priority of said provisional application or said application, said invention and said improvements and all worldwide rights that may be derived therefrom, and in and to any and all Letters Patent on said invention and improvements that may be granted by the United States or any foreign country, including any divisions, substitutions, continuations in whole or in part, conversions, reissues, additions or extensions thereof, said interest to be held and enjoyed by Assignee as fully and exclusively as it would have been held and enjoyed by said Assignor had this Assignment and transfer not been made.

2. Assignors hereby covenant, warrant and represent that they have not heretofore granted any license, right or privilege with respect to said applications, invention or improvements or in any other way encumbered the same, and that they have the full right to make this Assignment.

3. Assignors further agree that at the request and expense of Assignee, but without charge to said Assignee, they will promptly execute all papers necessary or desirable to perfect ownership of said invention, improvements, applications or said Letters Patent, in said Assignee, and will execute all oaths and other papers, within the truth, that are necessary or desirable for prosecuting said application, for use in interference proceedings involving said invention or improvements, for refiling said applications, for filing of said divisional, substitution, continuation or continuation-in-part applications covering said invention or improvements which are deemed necessary or desirable by Assignee, for reissuance or reexamination of said Letters Patent, or for the

filing in foreign countries of applications for Letters Patent covering said invention or improvements.

4. The terms, covenants and provisions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignors, their heirs, legal representatives and assigns.

IN TESTIMONY WHEREOF, We have executed and delivered to Assignee this instrument on the date shown.
