ASSIGNMENT

WHEREAS, We the undersigned,

B. G. Negev Technologies and Applications Ltd., at Ben-Gurion University, An Israeli company having a place of business at P.O.B. 653, Beer-Sheva 84105, Israel, hereinafter referred to as Assignor, have made the invention titled: **SYSTEM AND METHOD FOR PREDICTING AND HANDLING SHORT-TERM OVERFLOW**, for which an Israeli Patent Application No. 275018 was filed on May 31, 2020;

AND WHEREAS, **DEUTSCHE TELEKOM AG.**, A German company having a place of business at Friedrich-Erbert-Allee 140, 53113 Bonn, Germany, hereinafter referred to as Assignee, is desirous of acquiring all right, title and interest in and to said invention and the aforementioned patent application and any patent that may be granted therefor.

NOW, THEREFORE, in consideration of one new Israeli Shekel (NIS 1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the Assignor, hereby sell, assign and set over to said Assignee the entire and exclusive right, title and interest for Israel and all other countries of the world in and to said invention and the aforesaid patent application, and all rights to file, under the Paris Convention, and any other convention, patent applications based thereon and all divisional or other applications and patents applied for or granted therefor in Israel and in any other country, including all US national derivatives, and all patents which may be granted thereon and including international patent applications filed according to the Patent Cooperation Treaty (PCT) and all national/regional phase applications which will derive from the PCT applications, and all patents which may be granted thereon, and the undersigned for me and my legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all documents required for transferring said patent/application to said Assignee or its assigns, to communicate to said Assignee or its representatives all facts known to the undersigned with respect to said patent/application, whenever requested, to testify in any legal proceedings in which the said patent application may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees to register the assignment of the said Patent Application, the expenses incident to said application to be borne and paid by said assignee. The terms of this Deed of Assignment prevail over any other assignment or other deed, if any previously made in respect of the same matters.
