Assignment of Application

WHEREAS, I/We, the below named inventor(s), (hereinafter referred to as "Assignor(s)"), has/have made an invention entitled:

SPEAKERPHONE CONSOLE

for a full description of which, reference is here made to an application for a United States Patent executed concurrently herewith or as identified below by Patent Application Number and Filing Date;

WHEREAS, **Crestron Electronics, Inc.**, a corporation of the **State of New Jersey**, having its principal office and place of business at **15 Volvo Drive, Rockleigh, NJ, (US) 07647**, (hereinafter "Assignee") is desirous of acquiring the entire right, title, and interest in, to, and under said invention and application above identified, and in, to, and under any Patents that may be obtained for said invention, together with all foreign rights corresponding thereto, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for good and valuable and legally sufficient consideration, the receipt of which by Assignor(s) from Assignee is hereby acknowledged, Assignor(s) has/have agreed to sell, assign, and transfer and by these presents does/do hereby, sell(s), assign(s), and transfer(s) unto Assignee, its successors, assigns, legal representatives, or nominees, Assignor(s)'s entire right, title and interest in, to, and under said invention and application above identified and the United States Patents that may be obtained in respect thereof; any corresponding applications for Patents and Patents therefor in all other areas of the world, including one or more Non-provisional Patent Applications; and any reissues, extensions, substitutions, confirmations, reexaminations or extensions thereof, divisions, continuations-in-part, and continuations of any of the foregoing (hereinafter "Invention Rights"), to have and to hold for the sole and exclusive use and benefit of Assignee forever, including the right to pursue damages, injunctive relief, and other remedies for past, current, and future infringement.

Assignor(s) hereby covenant(s) and agree(s), for respective legal representatives, to assist and cooperate with Assignee in the preparation and prosecution of any applications included within the Invention Rights and in the prosecution or defense of any interference, opposition, or other proceeding that may arise in connection with any applications or Letters Patent included within the Invention Rights and further to execute and deliver to Assignee any and all additional papers that may be requested by Assignee for the purpose of implementing the terms of this ASSIGNMENT.

Assignor(s) hereby authorize(s) and empower(s) Assignee to invoke and claim for any applications or Patents included within the Invention Rights the benefit of any rights to which Assignor(s) might be entitled under international law or under the laws of any particular country (such as, without limitation, the right of priority provided by the International Convention for the Protection of Industrial Property, as amended) and to invoke and claim said rights without further written or oral authorization from Assignor(s).

Assignor(s) hereby consent(s) that a copy of this ASSIGNMENT shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document that may be required in any particular country for any purpose and more particularly in proof of the right of Assignee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended.

Assignor(s) hereby represent(s) and warrant(s) that, as of the date of this Assignment, Assignor(s)'s right, title, and interest in, to, and under said invention and application above identified was free and clear of any liens and encumbrances, that Assignor(s) has/have full right to assign all of Assignor(s)'s interests therein, and that Assignor(s) has/have not executed and will not execute any agreement or other instrument in conflict herewith.

Assignor(s) hereby authorize(s) and request(s) Assignee to fill in the following blanks specifying the United States Patent Application Number and Filing Date for said application above identified:

Patent Application Number: 29712003_____

Filing Date: November 11, 2019_____

but Assignee's failure to do so shall have no bearing whatsoever upon the validity or legal effect of this ASSIGNMENT.

Assignment of Application

Assignor(s) hereby authorize(s) and request(s) the Commissioner of Patents and the United States Patent and Trademark Office to issue Letters Patent to Assignee in accordance with the terms of this ASSIGNMENT.
