ASSIGNMENT

WHEREAS, WE:

Randall JASKOT of S42W34190 Hidden Valley Dr., Dousman, WI 53118,

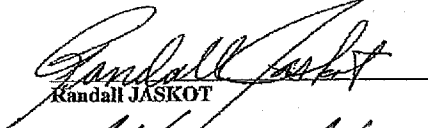

Woodrow NEPA of 521 Kashong Rd., Geneva, NY 45211, and

Todd BRICKSON of 5148 Silverlake Ct., St. Charles, MO 63304

have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled LABYRINTH SEAL, Attorney's Docket No. FEC-003, Serial No. 14/455,162, filed the 8th day of August, 2014, (hereinafter referred to as "said patent application").

Now for good and valuable consideration, the receipt of which is hereby acknowledged, we assign to Orion Engineered Seals, LLC, its legal representatives, successors and assigns, the entire right, title and interest, including the right to claim priority of the filing date of said patent application under international conventions, in said invention as set forth in said patent application, including any divisional, continuation, continuation-in-part, continued prosecution, or provisional application thereof, and in all patents, including any reissued, reexamined, or extended patent thereof, of the United States and of any foreign country which may be issued for said invention, as fully and completely as the same would have been held by us had this assignment not been made. The entire right, title and interest shall vest irrevocably in Orion Engineered Seals, LLC. We further agree upon request, without additional compensation but at no expense to us, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Orion Engineered Seals, LLC, its legal representatives, successors and assigns, or as said Orion Engineered Seals, LLC may direct.

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Orion Engineered Seals, LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.
