ASSIGNMENT

- (1) Natan Shahar
- (2) Avshalom Davidesko
- (3) Ilia Ulitsin

In consideration of the sum of one dollar (\$1.00), and other good and valuable considerations paid to each of the undersigned, the sufficiency and receipt of which are hereby acknowledged, the undersigned agree(s) to assign, sell, transfer, and set over, and hereby assign, sell, transfer, and set over to

STANDARD CARBON LTD
Ha-Avoda 7, Ariel, Israel

(hereinafter designated as the Assignee) the entire right, title and interest in the invention for patent in the United States of America entitled

Methanation and Recovery Method, System, and Apparatus

for which the undersigned has (have) submitted the following patent application(s) in the United States of America

Serial No. 17/528,587 filed on November 17, 2021

and any and all application(s) for patent and original and reissue patents granted claiming priority therefrom, in any and all countries, including all foreign rights, and including all provisionals, non-provisionals, divisions, continuations, continuations-in-part, patents of addition, reissues, designs, extensions thereof, corresponding PCT Patent Application(s) and the National Phase and Regional Phase application(s) and patent(s) thereof, including the right to apply and obtain Patents in other countries, the priority rights under International Conventions, all rights of priority resulting from the filing of and/or claiming the benefit of priority to said United States application(s), and the Letters Patent which may be granted thereon.

The undersigned covenant(s) that they have the full right to convey the entire interest therein assigned.

The undersigned authorize(s) and request(s) the Registry of Patents, and any Official of any country whose duty it is to issue Patents on applications as aforesaid, to issue the said Letters Patent(s) to the Assignee.

The undersigned agree(s) to execute all papers (including declarations) necessary in connection with the application(s) identified above, including but not limited to any continuing, continuation-in-part, divisional application(s) or design application(s) thereof and all international, regional, and foreign application(s) containing priority thereto, and also to execute separate assignments in connection with such application(s) as the Assignee may deem necessary or expedient.

The undersigned agree(s) to execute all papers necessary in connection with any interference or post-grant proceeding which may be declared concerning said application(s) identified above, including but not limited to any continuation, continuation-in-part, or division thereof and all international, regional, and foreign application(s) and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such proceeding.

The undersigned agree(s) to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

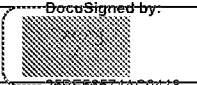

The undersigned agree(s) to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent(s), foreign patent(s), international patent(s), regional patent(s) or other patents for or claiming the benefit of priority to the above application to the Assignee.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents and Trademarks to issue any and all Letters of Patent of the United States resulting from said application(s), including but not limited to any division, continuation-in-part, and/or continuing application(s) thereof to the said Assignee and/or any patent claiming the benefit of priority thereto, as Assignee of the entire interest, and hereby covenants that he/she has (or they have) full right to convey the entire interest herein assigned, and that he/she has (or they have) not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby grant(s) ROCHELLE LIEBERMAN, ESQUIRE (Registration No.: 39,276) and DAVID S. TAYLOR, ESQUIRE (Registration No. 39,045) the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF, executed by the undersigned on the date(s) opposite the undersigned names(s).
