**ASSIGNMENT AND AGREEMENT IN AN APPLICATION FOR
LETTERS PATENT OF THE UNITED STATES OF AMERICA**

INVENTOR(S): Srikrishna Srinivasan, Yanbing Su, Jia Yan, Faisal Waris,
and Pradeep Christopher Cruz

I hereby declare that I am an original, first and joint inventor of the invention relating to
**ROOT CAUSE INCIDENT DETECTION USING AN ALARM CORRELATION
ENGINE**

described in an application for Letters Patent of the United States of America, executed by me on
even date with my execution of this Assignment.

For valuable consideration received, I hereby sell, assign and transfer to T-MOBILE
INNOVATIONS LLC, a limited liability company duly organized and existing under the laws of the
State of Delaware, United States of America, its successors and assigns, my entire right, title and
interest, for all countries in and to said inventions and all the rights and privileges under any and
all Letters Patent that may be granted therefore, and any divisions, continuations, reissues and
extensions thereof.

I agree that, when requested, I will, without charge to said limited liability company but at
its expense, sign all papers, take all rightful oaths, make all rightful declarations and do all acts
which may be necessary, desirable or convenient for securing and maintaining patents or other
forms of protection for said inventions in any and all countries and for vesting title thereto in said
limited liability company, its successors, assigns or nominees.

I agree that I will communicate to said limited liability company or its representatives any
facts known to me respecting said inventions and when requested by said limited liability
company and at its expense will testify in any legal proceedings, and generally do everything
possible to aid said limited liability company, its successors, assigns and legal representatives or
nominees, to obtain or enforce proper protection for said inventions in any and all countries.

I authorize and empower said limited liability company, its successors, assigns or
nominees, to make application for patent or other form of protection for said inventions in its or
their own name, or in my/our name, in any and all countries to invoke and claim for any
application for patent or other form of protection for said inventions filed by it or them, the
benefit of the right of priority provided by the International Convention for the Protection of
Industrial Property, as amended, or by any convention which may henceforth be substituted for it,
and to invoke and claim such right of priority without further written or oral authorization from
me.

I hereby consent that a copy of this Assignment shall be deemed a full legal and formal
equivalent of any assignment, consent to file or like document which may be required in any
country for any purpose and more particularly in proof of the right of the said limited liability

company or its successors, assigns or nominees to apply for patent or other proper protection for said inventions, and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

I covenant with T-MOBILE INNOVATIONS LLC, its successors, assigns, legal representatives, and nominees, that to the best of my knowledge the right, title and interest herein conveyed by me are free and clear of any encumbrance, and that I have the full right to convey the same as herein expressed.

This Agreement and Assignment supersedes all other assignments, agreements and addenda related to the above identified application.
