STATEMENT – Companies and Associations Code

The law of 23rd March 2019 enacting the Companies and Associations Code came into force on 1st May 2019. The new law replaced the Companies Code.

The mandatory provisions applicable from 1st January 2020, whether the Memorandum and Articles of Association have been amended or not, include the new corporate names and abbreviations of some types of company. In particular, as from 1st January 2020, the SPRL will automatically be a société à responsabilité limitée (in abbreviated form "SRL").

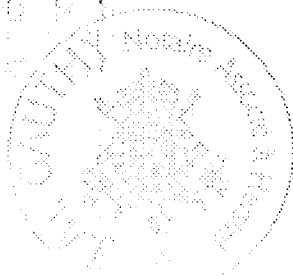

This applicable reform of legislation requires companies to ensure that their Memorandum and Articles of Association comply with the new Code. Subsequently, the company will therefore have until 1st January 2024 to ensure that its Memorandum and Articles of Association comply with the new Code. At that time and on that occasion, the Crossroads Bank for Enterprises (BCE) will be updated.

It is consequently certified that:

- the SPRL has become an SRL (*société à responsabilité limitée*);
- the company will have until 1st January 2024 to update its Memorandum and Articles of Association;
- the information contained in the BCE will be adapted, on that occasion.

Drawn up in Herstal.

⁽¹⁾ In application of the Belgium Code on Companies and Associations, as of 1 May 2019 the term "Manager" must be understood as "Administrator".

⁽²⁾ On 01/01/2008, the EC classification of NACEBEL codes was modified. Public Search displays both the activities existing according to the old 2003 NACEBEL code, valid until 31/12/2007, and the new 2008 code (and definition), valid as of 01/01/2008. This is a purely administrative conversion and not a change of activities of the entity or the company unit.

(1) En application du Code des sociétés et des associations, le terme "Gérant" doit, depuis le 1er mai 2019, être lu comme étant "Administrateur".

(2) Le 1/1/2008, la classification CE des codes Nacebel a été modifiée. Public search affiche tant les activités existantes d'après l'ancien code Nacebel 2003, valable jusqu'au 31/12/2007, que le nouveau code (et définition) 2008, valable depuis le 1/1/2008. Il s'agit donc d'une conversion purement administrative, et non d'un changement d'activités de l'entité ou de l'unité d'établissement.
