Design Patent Assignment Agreement

This Design Patent Assignment Agreement (the "Agreement") is made as of date, (the "Effective Date"), between JOICOM CORPORATION, 163-165 Freedom Ave. Anaheim United State (the "Assignor"), and REESTAR INTERNATIONAL LIMITED, UNIT 06-07 28/F CONCORDIA PLAZA 1 SCIENCE MUSEUM RD TST EAST KLN HONG KONG (the "Assignee").

The Assignor is the owner of design patents that registered in United States Patent and Trademark Office, Patent Nos.: D897459, D906528, D912617 and D912742.

The Assignee wishes to acquire the Assignor's rights in the design patents listed in this agreement.

The Assignor agrees to transfer the design patents to the Assignee for free.

In exchange, the Assignor hereby conveys, transfers, and assigns to the Assignee all of the Assignor's right, title, and interest of whatever kind in the design patents, together with

- 1) the goodwill of the business relating to the products and services on which the design patents are used and for which they are registered,
- 2) all income, royalties, and damages hereafter due or payable to Assignor with respect to the design patents, including without limitation, damages, and payments for past or future infringements and misappropriations of the design patents, and
- 3) all rights to sue for past, present and future infringement or misappropriations of the design patents.

The Assignor further covenants that it will take all actions that may be necessary for securing, completing, or vesting in the Assignee full right, title, and interest in the design patents and its related property.

In witness whereof, the Assignor has duly executed under seal and delivered this Assignment, as of the day and year first above written.
