ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned:

Daniel ALKHANATI, a citizen of Israel, residing at 1 Dan Street,
Nes Ziona 7412101, Israel

(hereinafter called the "Assignor(s)") hereby sell(s), assign(s) and transfer(s) to:

Landa Corporation Ltd.
P.O.B 2418
Rehovot 7612301
Israel

(hereinafter called the "Assignee"), its successors, assigns, nominees or other legal representatives, the undersigned's entire rights, title and interest in and to the hereinbelow defined Invention relating to:

INDIRECT PRINTING SYSTEM AND RELATED APPARATUS

described and claimed in the following Patent Application:

US Patent Application No. 16/883,617 filed on May 26, 2020

and in and to said Patent Application, and all original, reexamined and reissued Patents granted therefor, and all divisions and continuations thereof, of any corresponding PCT Patent Application and the National Phases thereof, including the right to apply and obtain Patents in all other countries, the priority rights under International Conventions, and the Letters Patent which may be granted thereon;

covenant that the undersigned have (has) the full right to convey the entire interest therein assigned;

authorize(s) and request(s) the Registrar of Patents, and any Official of any country whose duty it is to issue Patents on applications as aforesaid, to issue the said Letters Patent to the said Assignee;

and agree(s) to sign all lawful papers, make all rightful oaths, do all lawful acts requisite for such Patent Applications, and do everything possible to aid said Assignee to apply for, obtain and enforce Patent protection for said Invention.

In the event the Assignee is unable, for any reason, after reasonable effort, to secure the Assignor's signature on any document needed in connection with the actions specified in the preceding paragraph, the Assignor hereby irrevocably designate and appoint the Assignee and its duly authorized officers and agents as agent and attorney-in-fact to act on Assignor's, behalf and perform any legally requested and permitted act to further the purposes of the preceding paragraph with the same legal force and effect as if executed by the Assignor.

Each Assignor agrees and declares that, unless specifically indicated otherwise, the aforementioned Invention, and improvements thereof, constitutes a Service Invention as defined in the Israeli Patent Law, 1967, (hereinafter the "Patent Law") under section 132. Each Assignor understands that under no circumstances will he/she be deemed to have any proprietary right in the Invention and explicitly, irrevocably and unconditionally waive the right to receive any additional consideration, royalties or other payments, in connection with the Invention, in accordance with Sections 132 and 134 of the Patent Law.

Each of the undersigned Assignors hereby agrees that the cancellation, termination or invalidity of this Assignment or of any provision herein with respect to any Assignor shall not cancel, terminate or invalidate this Assignment or any of its provisions in respect of any other Assignor, nor shall such action in any way impair the enforceability of this Assignment in respect of such other Assignor or prejudice the rights of the Assignee against any such other Assignor.

This Assignment may be executed in counterparts, each of which shall be deemed an original and enforceable against the party executing such counterpart, and all of which together shall constitute one and the same instrument.

In witness whereof, each Assignor has affixed his or her signature.

In the event the Assignee is unable, for any reason, after reasonable effort, to secure the Assignor's signature on any document needed in connection with the actions specified in the preceding paragraph, the Assignor hereby irrevocably designate and appoint the Assignee and its duly authorized officers and agents as agent and attorney-in-fact to act on Assignor's, behalf and perform any legally requested and permitted act to further the purposes of the preceding paragraph with the same legal force and effect as if executed by the Assignor.

Each Assignor agrees and declares that, unless specifically indicated otherwise, the aforementioned Invention, and improvements thereof, constitutes a Service Invention as defined in the Israeli Patent Law, 1967, (hereinafter the "Patent Law") under section 132. Each Assignor understands that under no circumstances will he/she be deemed to have any proprietary right in the Invention and explicitly, irrevocably and unconditionally waive the right to receive any additional consideration, royalties or other payments, in connection with the Invention, in accordance with Sections 132 and 134 of the Patent Law.

Each of the undersigned Assignors hereby agrees that the cancellation, termination or invalidity of this Assignment or of any provision herein with respect to any Assignor shall not cancel, terminate or invalidate this Assignment or any of its provisions in respect of any other Assignor, nor shall such action in any way impair the enforceability of this Assignment in respect of such other Assignor or prejudice the rights of the Assignee against any such other Assignor.

This Assignment may be executed in counterparts, each of which shall be deemed an original and enforceable against the party executing such counterpart, and all of which together shall constitute one and the same instrument.

In witness whereof, each Assignor has affixed his or her signature.
