A S S I G N M E N T

WHEREAS, FastWay RV LLP, a limited liability partnership organized and existing under the laws of the State of Idaho, located at 1311 South Main Street, Payette, Idaho 83661 (hereinafter referred to as the "Assignor"), is the assignee of an invention known to the Assignor as SPEED SHANK, including but not limited to the aspects of said invention disclosed in U.S. Provisional Patent Application Serial No. 60/830,146, entitled Trailer Hitch System, filed in the U.S. Patent and Trademark Office on 07/10/2006, and including but not limited to the aspects of said invention described in a written invention disclosure (hereinafter "Pre-existing Written Invention Disclosure") that (i) predates the execution of this Assignment and (ii) that is contained in the file identified as File No. T11058.C.2 of the law firm of Clayton, Howarth & Cannon, P.C., 6965 Union Park Center, Suite 400, Cottonwood Heights, Utah 84047, and (iii) that contains a total of 15 pages of written description and illustration, hereinafter called the "Invention."

WHEREAS, Assignee Progress Mfg. Inc., a Utah corporation, organized and existing under the laws of the State of Utah, located at 533 South 500 West, Provo, Utah 84601, is desirous of acquiring the entire right, title and interest in the Invention;

WHEN RECORDED RETURN TO;

Karl R. Cannon (T11058.C.2)  
Clayton, Howarth & Cannon, P.C.  
P.O. Box 1909  
Sandy, Utah 84091

NOW THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to him by the Assignee, the receipt and sufficiency of which is hereby acknowledged, FastWay RV LLP HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title and interest in all aspects of said Invention and in the above-identified United States provisional patent application, and in all provisional or non-provisional patent applications describing or claiming any aspect of said Invention, and in any divisions, continuations and continuations-in-part of said non-provisional patent applications, and in any reissues or extensions of Letters Patent or Patents granted on any of the foregoing, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said Invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor FastWay RV LLP represents and warrants that, to the extent any aspect of the Invention is not fully disclosed in the aforementioned provisional patent application or Pre-existing Written Invention Disclosure, Assignor shall hereafter disclose fully such aspect to the Assignee, or to the Assignee's successors or assigns, either within thirty (30) days from the date this assignment is executed, or within thirty (30) days from any reasonable request made therefor by Assignee or Assignee's successors or assigns within one (1) year from the date this Assignment is executed. Assignor agrees to assist Assignee or

Assignee's successors or assigns at any of their request, at any time within one (1) year from the date this Assignment is executed, in memorializing in writing a full and complete disclosure of the Invention, and Assignor shall cooperate fully with, and assist with, any efforts or obligations by Assignee, or Assignee's successors or assigns, to prepare and file a patent application describing and claiming the Invention.

The Assignor hereby authorizes and requests the United States Commissioner for Patents, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents covering any aspect of said Invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

The Assignor hereby agrees, without further consideration and without expense to Assignor, to sign all lawful papers and to perform all other lawful acts which the Assignee, or the Assignee's successors, assigns and legal representatives, may request of him to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, continuation, continuation-in-part, substitute, reissue, and other United States and foreign patent applications covering any aspect of said Invention, and all lawful documents requested by the Assignee, or the Assignee's successors, assigns and legal representatives, to further the prosecution of any of such patent applications.
