ASSIGNMENT OF PATENT APPLICATION

I, the undersigned, agree and hereby agree to assign to SICreations, LLC, a Utah Corporation having its principal place of business in Salt Lake City, Utah (hereinafter "SICreations"), in furtherance of my obligation to SICreations and its subsidiaries and affiliates, and do hereby assign and transfer to SICreations, its successors, and assigns, the entire right, title, and interest, including the right of priority, in, to and under an application for Letters Patent of the United States, entitled:

**METHODS FOR PRESERVING A SUBJECT AND
USING IMAGING CONTRAST AGENTS**

Filing Date: May 29, 2020 Application No.: 16/888,114

and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (C-I-Ps), divisions, and renewals of and substitutes for said application for said Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore; and any reissues, or reexaminations, or extensions of said Letters Patent.

I additionally authorize SICreations to file applications in my name for Letters Patent in any country, to be held and enjoyed by SICreations, its successors, assigns, nominees, or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment and transfer not been made;

AND I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent, to SICreations, its successors, assigns, nominees, or legal representatives, and I agree to communicate to SICreations, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisions, continuations, C-I-Ps, reissue, and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid SICreations, its successors, assigns, nominees, and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by me in lending such cooperation and assistance are paid by SICreations;

AND I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to SICreations, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s),

including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

I further authorize and direct the attorneys of record, if necessary, to insert the serial number and filing date of said application now identified by the attorney docket number and title set forth above as soon as the same shall have been made known to them by the United States Patent and Trademark Office.
