## PATENT SECURITY AGREEMENT

This **PATENT SECURITY AGREEMENT**, dated as of December 6, 2021 (this “**Agreement**”) is made by Mavenlink, Inc., a Delaware corporation (“**Grantor**”), in favor of **AB PRIVATE CREDIT INVESTORS LLC**, as the Collateral Agent for the Secured Parties. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them (including by reference) in the Security Agreement.

**WHEREAS**, the Grantor is party to the Pledge and Security Agreement dated as of December 6, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), by and among the Grantor, the other grantors party thereto and the Collateral Agent, pursuant to which the Grantor granted a security interest to the Collateral Agent (for the benefit of the Secured Parties) in the Patent Collateral (as defined below) and is required to execute and deliver this Agreement; and

**WHEREAS**, pursuant to the Security Agreement, Grantor agreed to execute and deliver this Agreement in order to record such security interest with the United States Patent and Trademark Office.

**NOW, THEREFORE**, in consideration of the foregoing and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantor to the Collateral Agent pursuant to the Security Agreement, Grantor hereby grants and pledges to the Collateral Agent (for the benefit of the Secured Parties) a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired, developed, created, possessed or arising and wherever located (collectively, the “**Patent Collateral**”), other than Excluded Property:

- (i) all patents and patent applications and rights, title and interests in patents and patent applications under any domestic or foreign law that are presently, or in the future may be, owned or held by such Grantor in whole or in part and all re-issues, divisions, continuations, renewals, extensions and continuations in-part thereof (including, without limitation, the patents and patent applications set forth on Schedule A annexed hereto);
- (ii) the right to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation or other violation or impairment of any of the foregoing; and
- (iii) all Proceeds and Accessions with respect to any of the foregoing, including all license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect to any of the foregoing.

Grantor authorizes and requests the Commissioner for Patents of the United States Patent and Trademark Office to record this Agreement.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Patent Collateral granted hereby are more fully set forth in the Security Agreement, the terms and conditions of which are hereby incorporated by reference as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

Sections 10.14, 10.15 and 10.16 of the Credit Agreement are hereby incorporated herein by reference mutatis mutandis.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission (including Adobe pdf file) shall be effective as delivery of a manually executed counterpart of this Agreement.

[Signature Pages Follow.]

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
