## PATENT ASSIGNMENT

This Patent Assignment ("Assignment") is entered into as of December 3, 2021 ("Effective Date") by FLINT HILLS RESOURCES POLYMERS, LLC, a Delaware limited liability company, having its principal office at 4111 East 37<sup>th</sup> Street North, Wichita, Kansas 67220, USA ("Assignor") and FLINT HILLS RESOURCES LONGVIEW, LLC, a Delaware limited liability company, having its principal office at 4111 East 37<sup>th</sup> Street North, Wichita, Kansas 67220, USA ("Assignee").

Assignor is the owner of all right, title, duties, and interest in and to the patents and patent applications or is a co-owner of all right, title, duties, and interest in and to the patents and patent applications appearing on Schedule 1 (the "Patents") and all patents, whether US or foreign, which may be granted thereon, whether sole or joint; all applications, whether US or foreign, for patents which may be filed for inventions embodied by said Patents, and all patents which may be granted for said inventions; and all extensions, renewals, revivals, continuations, divisionals, continuations-in-part, reexaminations, foreign counterparts, reissues, or any other patent or application, whether US or foreign, claiming priority to or from any of the Patents (collectively "Patent Assets" which includes, without limitation, the Patents, all US and foreign counterparts of the Patents, and all divisions, continuations, continuations-in-part, revivals, renewals, extensions, reissues, and reexaminations of the Patents);  
and

Assignee desires to acquire all of Assignor's right, title, duties, and interest in and to the Patent Assets.

Now, the parties agree:

Assignment. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby irrevocably assigns, sells, conveys, and transfers to Assignee, its successors, legal representatives and assigns, Assignor's entire right, title, duties, and interest in and to and with the corresponding goodwill the Patent Assets, together with:

1. the right to file applications, prosecute, maintain, and defend the Patent Assets including filing foreign counterparts, extensions, renewals, reissues, revivals, reexaminations, divisionals, continuations, continuations-in-part, and all other applications;
2. all rights of priority related to the Patent Assets which are created by any law, treaty, or international convention such as the Paris Convention;
3. the full right to sue for past, present, or future infringement of any of the Patent Assets, including all causes of action and other enforcement rights, including all rights to collect lost profits, damages, injunctive relief, and any other remedies which may be provided by the respective national laws due to any past, present, or future infringement; and
4. all rights to collect royalties and other payments under or on any of the Patent Assets.

Assignee hereby acknowledges receipt of the entire right, title, duties, and interest in and to the Patent Assets.

Authority. Assignor authorizes and requests the competent authorities to record this Assignment and to grant and to issue any and all letters patent in any Patent Asset to Assignee according to the terms of this Assignment.

Severability. If any provision of this Agreement is found to be invalid or unenforceable, then the remainder of this Agreement will have full force and effect and be enforceable, and the invalid provision

will be modified, or partially enforced, to the maximum extent permitted to effectuate its original objective.

Waiver. Failure by either party to enforce any term of this Agreement will not be deemed a waiver of future enforcement of that or any other term in this Agreement or any other agreement that may be in place between the parties.

Amendments. No amendments or modifications will be effective unless in writing signed by authorized representatives of all parties. The parties agree to any future revisions correcting the schedule in the event of any typographical errors, inadvertent omissions, or other errors, so long as such revisions are in writing signed by authorized representatives of all parties.

Counterparts; Electronic Signature. This Agreement may be executed in counterparts, each of which will be deemed an original, and all of which together constitute one and the same instrument.

Governing Law. This Agreement will be interpreted, construed and enforced in all respects under the laws of the State of Kansas, without giving effect to its choice of law principles to the contrary.

Successors and Assigns. The terms and conditions of this Assignment will inure to the benefit of Assignee, its successors, assigns and other legal representatives, and will be binding upon Assignor, their successors, assigns and other legal representatives.

IN WITNESS WHEREOF this Patent Assignment is executed by as of the Effective Date.
