ASSIGNMENT OF PATENT APPLICATION

WHEREAS, **Glenn Mahaffey, Jr.**, whose mailing address is 161 Reaser Court, Elyria, Ohio 44035, United States of America, and **Ronald Nealey**, whose mailing address is 14011 W. Collins Road, Collins, Ohio 44826, United States of America (collectively the "**Inventors**"), have invented subject matter disclosed and/or claimed in a design patent application (the "**Invention**") entitled "**CUTTER HEAD FOR GRINDING MACHINES AND THE LIKE**" which was filed in the United States Patent and Trademark Office ("USPTO") on January 24, 2020 and given Application No. 29/721,914;

AND WHEREAS the Inventor **Ronald Nealey** was, at all material times, employed by **David Price Metal Services, Inc.** having an address of 360 Eastpark Drive, Norwalk, Ohio 44857, United States of America, and the duties of the Inventor **Ronald Nealey** included the development of new inventions; and the ownership of any rights thereto are held by **David Price Metal Services, Inc.** by virtue of said employment;

AND WHEREAS the **Invention** was developed pursuant to an agreement between **David Price Metal Services, Inc.** and **Dynatech Systems, Inc.** having an address of 161 Reaser Court, Elyria, Ohio 44035, United States of America;

AND WHEREAS the agreement provides that **Dynatech Systems, Inc.** is to be the owner of any intellectual property developed pursuant to the agreement;

NOW THEREFORE for good and valuable consideration from **Dynatech Systems, Inc.** to **David Price Metal Services, Inc.** and for good and valuable consideration from **Dynatech Systems, Inc.** to each of the **Inventors**, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

David Price Metal Services, Inc. and the **Inventors**, individually and collectively, hereby confirm that **Dynatech Systems, Inc.** is the sole owner of, and do hereby sell, assign and transfer to **Dynatech Systems, Inc.**, its successors and assigns, the entire right, title and interest in and to the **Invention** and all patents that may be granted therefor in the United States and all other countries, territories, and jurisdictions in the world and to all existing or future related applications, divisions, substitutes, renewals, reissues, continuing applications, conversions, re-examinations, extensions, and any resulting patents thereof in all countries for the full terms for which the same may be granted and any rights associated therewith, including, but not limited to, any and all royalties, profits, damages, fees, income, payments, and other proceeds now or hereafter due or payable, and to the right to claim benefit and priority from the applications in all of the countries; this transfer includes all rights to collect money for and obtain injunctions based upon past infringement.

AND, **David Price Metal Services, Inc.** and the **Inventors**, individually and collectively, shall take all steps and actions, and provide cooperation and assistance to **Dynatech Systems, Inc.** and its successors, assigns, and legal representatives, in connection with the **Invention** and applications, or for any inventions and discoveries derived therefrom, as may be necessary to effect, evidence, or perfect an assignment to any assignee or successor thereto, including, but not

limited to: the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, documents in connection with claims or provisions of treaties and agreements, or other lawful papers; the execution and delivery of all papers necessary in connection with any administrative or judicial proceedings; and the provision of information and testimony and cooperation in every way in obtaining and producing evidence and prosecuting such proceedings.

AND, all parties hereby grant the attorney, law firm, or assignee, the power to insert on this Assignment any further identification information, including an application number and filing date, which may be necessary or desirable.

This agreement may be executed in counterparts, which together shall constitute one and the same agreement.
