ASSIGNMENT

WHEREAS, I, Sid Reyna of Colorado Springs, Colorado, am one of the inventors of a certain new and useful invention, entitled "Vertical Axis Wind Turbine," for which an application for Letters Patent of the United States, identified as Attorney File No. 5714-9, has been prepared, such application disclosing certain novel and non-obvious methods, devices, and systems directed to improving wind directing, shaping, and power conversion, to create torque on a rotor shaft to generate electricity;

NOW THEREFORE, be it known that I, one of the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign, and transfer unto said assignee, DME Wind Energy Corporation, a Colorado corporation having a place of business at 1513 East Lake Street, Fort Collins, Colorado, its successors, legal representatives, and assignees, the aforesaid application and the invention(s) described therein for the territory of the United States of America and all non-provisional, continuation, divisional, continuation-in-part, and reissue applications associated therewith; all corresponding patent applications in foreign countries; all applications pursuant to the Patent Cooperation Treaty; all applications for extension filed or to be filed for the invention(s); and all Letters Patent, Invention Registrations, Utility Models, Extensions, Reissues, and other patent rights obtained for the invention(s) in the United States or any other country;

I also assign any right, title, and interest in and to the invention which has not already been transferred to the assignee;

I warrant that I have made no assignment of the invention(s), application, or patent therefor to a party other than DME Wind Energy Corporation and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and

I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention(s), but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to DME Wind Energy Corporation, its successors, legal representatives, and assignees, as the assignee of the entire right, title, and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
