ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of the following Assignors,

Botao Hu of Palo Alto, CA, United States;

(individually “Assignor”, together “Assignors”),

hereby agrees to assign and transfer, and hereby does assign and transfer, to FUZHOU LIGHTFLOW TECHNOLOGY CO., LTD. a Chinese Corporation having a place of business at A 025 Department, Room 201, No. 3 Building Fuda, Gulou District Fuzhou, Fujian, 350000 and its successors, assigns, and legal representatives (herein termed “Assignee”),

his/her entire rights, titles and interests, in the United States of America and in all countries and territories throughout the world, to the inventions and improvements which are subject of the following filed patent application(s):

Application No.	Inventor(s)	Title	Filing Date (month/day/year)
16/477,527	Botao Hu	Imaging Method for Modular Mixed Reality (MR) Device	July 12, 2019

including any and all rights, titles and interests in and to any and all inventions, discoveries and other subject matters described herein, and including any and all patent applications filed or to be filed on said inventions and improvements, in the U.S. and all countries and territories of the world, including any continuation, continuation-in-part, divisional, renewal, revival, substitute, reissue, conversion, non-provisional, provisional, re-examination certificate following *Inter Partes* Review, certificate following Post Grant Review of the inventions and improvements, and any patent which may issue thereon, and reissues of the same, and including all other patent applications claiming priority to or benefit of the foregoing, pursuant to any law or treaty, and including any and all patent issuing from any of the foregoing, and including the rights to claim priority to any of the foregoing, such as the right to claim priority under the International Convention to any of the foregoing, and including any and all causes of action and enforcement rights, including all rights to sue, counterclaim, and recover for any past, present and future infringement of, or liabilities for, all patent(s) utility models, inventors’ certificates, petty patents, design patents or similar legal protection to be obtained for the inventors.

Each undersigned Assignor, severally and not jointly, represents that he/she has not previously conveyed, nor is aware of an obligation to convey, his/her rights in the Application(s) to a third party. Each undersigned Assignor, severally and not jointly, hereby authorizes the U.S. Patent and Trademark Office, and any other government agency in the world, to issue to Assignee all patent(s) resulting from

any of the foregoing and to record Assignee's ownership thereof.

At Assignee's reasonable request, each Assignor, without further remuneration, agrees to execute and deliver documents prepared at Assignee's expense and to provide other cooperation, such as testimony, as may be reasonably required to evidence or protect Assignee's rights in the foregoing. Assignee may assign or transfer all or part of its rights set forth herein in its sole discretion. Each Assignor agrees that the Assignee may affix its signature to this document as well as any other indicia of its acceptance of the provisions hereof. If any provision herein is unenforceable, the requirements of the provision shall remain to the full extent permissible by law and the offending portions thereof shall be deemed replaced, to the extent possible, with a provision most closely reflecting the purpose of the offending provision. Each Assignor hereby appoint(s) the persons associated with Customer Number: **146322** the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, executed by the undersigned Assignor on the dates below the undersigned names.

ASSIGNOR

Botao Hu
