NUNC PRO TUNC ASSIGNMENT

WHEREAS, Dan Tafe, Steve Wiley and Jason Wettig, hereinafter "Assignors", are named inventors on the patent application(s) listed on Schedule A (collectively referred to herein as the "Patent Applications");

WHEREAS, Resource Intl Inc. is a corporation organized and existing under the laws of Delaware, having a place of business at 7 Boulden Circle, Wilmington, Delaware 19720, hereinafter "Assignee";

WHEREAS, by operation of law, Assignors' entire right, title and interest in and to the Patent Applications, the inventions described therein, and all continuations, divisions, renewals, foreign counterparts and extensions of the Patent Applications, had transferred and/or had been assigned to Assignee prior to the respective execution dates listed in Schedule A;

WHEREAS, Assignors mistakenly executed the assignment documents recorded at the United States Patent and Trademark Office at the respective Reel and Frame locations listed in Schedule A;

WHEREAS, Assignors herein acknowledge that the assignment documents recorded at the United States Patent and Trademark Office at the respective Reel and Frame locations listed in Schedule A are null and void;

WHEREAS, Assignors desire to assign and/or confirm prior assignment or transfer of their entire right, title and interest in and to the Patent Applications, the inventions described therein, and all continuations, divisions, renewals, foreign counterparts and extensions of the Patent Applications, to Assignee; and

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to the Patent Applications, the inventions described therein, and all continuations, divisions, renewals, foreign counterparts and extensions of the Patent Applications, as set forth below;

NOW, THEREFORE, in exchange for valuable and legally sufficient consideration the sufficiency of which is herein acknowledged, Assignors hereby assign and/or transfer, and/or confirm prior assignment or transfer, to Assignee, *nunc pro tunc*, effective at least as of Assignors' execution dates for the assignment documents recorded at the United States Patent and Trademark Office at the respective Reel and Frame locations listed in Schedule A, their entire right, title and interest in and to the Patent Applications and the inventions described therein, and any patents that may or have issued therefrom in the United States and elsewhere, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with their entire right, title and interest in and to all provisionals, continuations, divisions, renewals, reissues and extensions of any of the Patent Applications, patents, utility models and designs defined above; to have and to hold for sole and exclusive use and benefit of Assignee, its successors and assigns, to the full end of the term or terms for all such patents, including the right to sue for past infringement.

Assignors hereby represent, warrant, covenant and agree that he has the full right to convey the interest assigned by this Nunc Pro Tunc Assignment (hereinafter "Assignment").
