ASSIGNMENT

WHEREAS, Nantworks, LLC, a Delaware company ("Nantworks") owns, by assignment, partial right, title, and interest in the invention entitled "CONTENT AUTHENTICATION AND VALIDATION VIA MULTI-FACTOR DIGITAL TOKENS, SYSTEMS, AND METHODS" (hereinafter "Invention") for which a provisional application for Letters Patent of the United States has been prepared and filed on May 28, 2020, receiving Serial No. 63/031,038, and further identified as Attorney File No. 10009-11-PROV-2 (hereinafter "Application").

WHEREAS, Nant Holdings IP, LLC, a Delaware company ("Nant Holdings"), having a place of business at 9920 Jefferson Blvd., Culver City, California 90232, desires to own Nantworks' entire right, title and interest in and to the Invention described and claimed in the provisional application, in all countries throughout the world.

NOW THEREFORE, be it known that Nantworks, for and in consideration of certain good and valuable consideration, do sell, assign and transfer unto Nant Holdings, its successors, legal representatives and assigns, the Invention for all territories in the world and any improvements and modifications thereto, the Application, all applications from which the Application claims the benefit of priority, all applications claiming the benefit of priority from the Application, including, but not limited to, all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the Invention in the United States or any other country and the right to sue for past infringement of rights resulting from the Invention, the Application or any patent issuing therefrom; Nantworks also assigns any right, title or interest in and to the Invention which has not already been transferred to Nant Holdings, Nantworks warrants that Nantworks has made no assignment of the Invention, Application or patent therefor to a party other than Nant Holdings, and Nantworks is under no obligation to make any assignment of the Invention, Application, or patent therefor to any other party; and Nantworks further agrees to cooperate with Nant Holdings in the obtaining and sustaining of any and all such Letters Patent and in confirming Nant Holdings' exclusive ownership of the Invention, but at the expense of Nant Holdings.

For and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, Nantworks does sell, assign and transfer to Nant Holdings, the right to claim priority to the Application for all applications pursuant to the Patent Cooperation Treaty and national and regional applications filed therefrom, all applications for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications thereof, and all patent applications in foreign countries and the right to be granted a patent for any of the foregoing applications.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Nant Holdings, its successors,

legal representatives and assigns, as an assignee of an equal, undivided right, title and interest therein.

Nantworks further hereby authorizes Nant Holdings, or its attorneys or agents, to insert and/or update the correct Application Number and filing Date into this Assignment, if none is indicated on that date of our execution of this agreement.

IN WITNESS WHEREOF, each party hereto has executed this Assignment as of the date indicated hereunder.
