## ASSIGNMENT

WHEREAS, I, **John Zachary Sanborn** of Santa Cruz, CA, have invented a certain new and useful invention entitled **"CONTENT AUTHENTICATION AND VALIDATION VIA MULTI-FACTOR DIGITAL TOKENS, SYSTEMS, AND METHODS"** (hereinafter "Invention") for which an application for Letter Patent of the United States has been prepared and filed on June 3, 2020, receiving Serial No. 16/891,364, and further identified as Attorney File No. **10009-11** (hereinafter "Application").

NOW THEREFORE, be it known that I, the said inventor(s), for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of **ImmunityBio, Inc.**, (hereinafter "Assignee") having a place of business at **9920 Jefferson Blvd., Culver City, California 90232**, do sell, assign and transfer unto Assignee, its successors, legal representatives and assigns, the Invention for all territories in the world and any improvements and modifications thereto, the Application, all applications from which the Application claims the benefit of priority, all applications claiming the benefit of priority from the Application, including, but not limited to, all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the Invention in the United States or any other country and the right to sue for past infringement of rights resulting from the Invention, the Application or any patent issuing therefrom; I also assign any right, title or interest in and to the Invention which has not already been transferred to Assignee, I warrant that I have made no assignment of the Invention, Application or patent therefor to a party other than Assignee, and I am under no obligation to make any assignment of the Invention, Application, or patent therefor to any other party; and I further agree to cooperate with Assignee in the obtaining and sustaining of any and all such Letters Patent and in confirming Assignee's exclusive ownership of the Invention, but at the expense of Assignee.

For and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I **John Zachary Sanborn** do sell, assign and transfer to Assignee, the right to claim priority to the Application for all applications pursuant to the Patent Cooperation Treaty and national and regional applications filed therefrom, all applications for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications thereof, and all patent applications in foreign countries and the right to be granted a patent for any of the foregoing applications.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Assignee, its successors, legal representatives and assigns, as an assignee of an equal, undivided right, title and interest therein.

I further hereby authorize Assignee, or its attorneys or agents, to insert and/or update the correct Application Number and filing Date into this Assignment, if none is indicated on that date of my execution of this agreement.

IN WITNESS WHEREOF, each party hereto has executed this Assignment as of the date indicated hereunder.
