hereby confirm having made, together, an invention regarding "**AQUEOUS EFFLUENT TREATMENT SYSTEM**" described in PCT patent application PCT/EP2020/054800 filed on 24th February 2020 claiming priority from European patent application No. 19159135.3 filed on 25th February 2019 (hereinafter the "Invention").

We believe that we are each an original joint inventor of a claimed invention in the application with the other co-inventors. We further hereby confirm that the invention has been conceived in the course and within the scope of our employment duties towards our employer. Pursuant to Swiss employment law and our employment contracts with our employer, we hereby confirm that, as concerns our respective contribution to the development of the invention, all shares of rights to the Invention have been automatically assigned to our employer at the time the invention was made.

For the avoidance of doubt and to the extent that any rights may not have been assigned, we hereby assign and confirm assignment of the entire rights and interest in and to said Invention, including all rights to file patent applications regarding the invention and the rights to claim priority from those patent applications in any country in the world, to our employer at the time the invention was made who accept the Assignment without any restrictions and with all rights and obligations deriving therefrom, in consideration of the sum of ten Swiss Francs (CHF10.00) to each of us and other good and valuable consideration now paid by ECOLE POLYTECHNIQUE FEDERALE DE LAUSANNE (EPFL) ("The Assignee"), the receipt and sufficiency of which we hereby acknowledge.

We agree to testify and execute any papers for the Assignee, its successors, assigns and legal representatives, deemed essential by the Assignee to the Assignee's protection and title in and to the shares of rights to the invention hereby transferred.

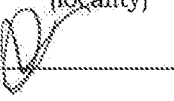

We also agree that the Assignee solely executes registration of this assignment before the Patent Offices.
