- 1) Each one of Applications were made or authorized to be made by me.
- 2) I believe that I am the original inventor of a claimed invention in the each of the Applications.
- 3) I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five (5) years, or both.
- 4) I have reviewed and understand the contents of each of the Applications, including the claim(s), as amended by any amendment referred to above.

Attorney Docket Number:

- 5) I acknowledge the continuing duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability of any one or more of the Applications, as defined in Title 37, Code of Federal Regulations, Section 1.56, including, for any continuation-in-part applications, material information which becomes available between the filing date of the prior application and the filing date of the continuation-in-part application.

Authorization To Permit Access To Application by Participating Office

If checked, the undersigned hereby grants the USPTO authority to provide the European Patent Office (EPO), the Japan Patent Office (JPO), the Korean Intellectual Property Office (KIPO), the World Intellectual Property Office (WIPO), and any other intellectual property offices in which a foreign application claiming priority to any one or more of the Applications is filed (referred to herein as the "Referenced Application"), access to the Referenced Application. See 37 CFR 1.14(c) and (h). This box should not be checked if the applicant does not wish the EPO, JPO, KIPO, WIPO, or other intellectual property office in which a foreign application claiming priority to any one or more of the Applications is filed to have access to the Referenced Application. In accordance with 37 CFR 1.14(b)(3), access will be provided to a copy of the Referenced Application with respect to: 1) the Referenced Application-as-filed; 2) any foreign application to which the Referenced Application claims priority under 35 U.S.C. 119(a)-(d) if a copy of the foreign application that satisfies the certified copy requirement of 37 CFR 1.55 has been filed in the Referenced Application; and 3) any U.S. application-as-filed from which benefit is sought in the Referenced Application. In accordance with 37 CFR 1.14(c), access may be provided to information concerning the date of filing the Authorization to Permit Access to Application by Participating Offices.

OATH:

I do hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

ASSIGNMENT OF RIGHTS:

Whereas, I have invented certain new and useful improvements in the Inventions identified above and described in the Applications and/or patent(s) (hereinafter referred to as the "Inventions"); and,

Whereas I desire to assign my above-identified rights, title and interest in the Inventions, individually and collectively, to the Assignee identified herein;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged, I,

Inventor(s) (assignor(s))

<i>Name</i>	<i>Address</i>
Patricia McGrath	126 Fifth Avenue New York, NY 10011 US

do hereby assign, sell and transfer to:

Assignee

<i>Name of Company</i>	<i>Address</i>
Pat McGrath Cosmetics LLC	126 Fifth Avenue New York, NY 10011 US

herein referred to as the "Company", its successors and assigns, all of my entire rights, titles and interests in and to the Inventions and any improvements made or conceived by me described in the Applications listed above and in the following table:

<i>Country</i>	<i>Type of Filing</i>	<i>Application Number</i>	<i>Filing Date</i>	<i>Title</i>

(I hereby authorize and request the Company or its delegated attorneys, representatives or agents to insert above any relevant application numbers, filing dates and any other information required herein, when known.)

and any and all applications for patent or patents therefrom in any and all countries, including all divisions, continuations, and continuations-in-part, reexaminations, reissues and renewals thereof, and all benefits, rights of priority resulting from the filing of the above-identified Applications, and any and all Letters Patent of the United States, and countries foreign thereto, which may be granted or have granted for the Inventions, and other benefits accruing or to accrue to me with respect to the filing of the applications for patents or securing of patents in the United States and countries foreign thereto, unto the Company;

Attorney Docket Number:

and I hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Letters Patent which may issue for any one or more of the Inventions to the Company, as assignee of the whole right, title and interest thereto;

and I further agree to, without any further consideration, communicate to the Company or its representatives or nominees any facts known to me respecting any one or more of the Inventions and improvements and testify in any legal proceeding, make all rightful oaths, sign and execute all necessary and lawful future documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights in all countries including but not limited to, any provisional, non-provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, for any derivation proceedings relating thereto, and, as to any patents that issue from such applications, for any supplemental examination, derivation proceeding, opposition, post grant review, reissue, re-examination, inter partes review, or extension thereof, and generally do everything possible to aid the Company, its successors, assigns and nominees, to obtain and enforce proper patent protection for the Inventions and any improvements in all countries.
