WHEREAS, each Grantor is party to that certain Security Agreement, dated as of December 23, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), by and among the Grantors, the other grantors party thereto and the Collateral Agent; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

Terms. Capitalized terms used but not defined herein shall have the meanings given or given by reference in the Security Agreement.

Grant of Security. As security for the payment (howsoever created arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing or due or to become due) or performance when due (whether at the stated maturity, by acceleration or otherwise), as the case may be, in full of the Secured Obligations, the Grantors hereby grant to the Collateral Agent, for the benefit of the Secured Parties, a security interest (the “**Security Interest**”) in all of the Grantors’ right, title and interest in, to and under the Patents and Patent applications set forth on Schedule A attached hereto, together with (a) all reissues, reexaminations, divisions, continuations, renewals, extensions and continuations-in-part thereof, (b) all inventions or designs claimed therein, (c) all income, fees, royalties, damages, claims and payments now or hereafter due and/or payable with respect thereto, including damages and payments for past, present or future infringements thereof, and (d) the right to sue for past, present and future infringements thereof (the “**Patent Collateral**”); *provided that* “**Patent Collateral**” shall not include and the Security Interest shall not attach to any Excluded Assets as provided under the Security Agreement.

Delivery of an executed counterpart of this Agreement by PDF, facsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability and binding effect of this Agreement.
